Twenty Years of Education Transformation in Gauteng 1994 to 2014 Maringe, Felix, Prew, Martin, 2015-05-05
Twenty Years of Education Transformation in Gauteng 1994 to 2014 An Independent Review presents a collection of 15 important essays on different aspects of education in Gauteng since the advent of democracy in 1994 These essays talk to what a provincial education department does and how and why it does these things whether it be about policy resourcing or implementing projects Each essay is written by one or more specialist in the relevant focus area The book is written to be accessible to the general reader as well as being informative and an essential resource for the specialist reader It sheds light on aspects of how a provincial department operates and why and with what consequences certain decisions have been made in education over the last 20 turbulent years both nationally and provincially There has been no attempt to fit the book's chapters into a particular ideological or educational paradigm and as a result the reader will find differing views on various aspects of the Gauteng Department of Education's present and past We leave the reader to decide to what extent the GDE has fulfilled its educational mandate over the last 20 years

Homeschooling High School Shirley Erwee, 2014-08-28
Prospective homeschoolers are parents looking for an alternative to the mainstream educational system for their offspring But homeschooling children at high school level strikes fear into even the most dedicated of homeschoolers They need information and answers to their questions And with the current educational and unemployment problems in South Africa young people need clear direction and guidance to help them achieve their goals In addition to exploring the popular ways to gaining a recognised matric certificate outside the formal school system Homeschooling High School also challenges readers to rethink their values particularly the value they place on certification and to consider some unconventional or alternative paths to success In a clearly presented format the book includes advice on legal matters identifying appropriate courses sourcing study material tips on entrepreneurship financing tertiary studies and the testimonies of successful homeschooled graduates Homeschooling High School is a comprehensive guide to plotting a path through high school and beyond
