

The Basketball Player

By: Justin

During the championship,
Near the bench,
Outside the three point line,
On the court,
Between the defenders,
Over the block,
Through the defense,
By the basket,
At the backboard,
Off the rim,
Into the net,
Shot the sweaty basketball player.

Critical games Tim Beasley-Murray, 2025-06-17 Critical Games is about the games we play whether we know it or not: the ways we play them for fun but also to win and to gain approval from others and what happens when they get out of hand. The book interrogates the theory of play and gaming with a particular focus on the games played by literary authors and literary critics. Drawing on often self-critical autobiography as well as readings in texts across a range of languages, Tim Beasley-Murray plays with academic conventions to highlight what is at stake in them: turning to the Game of Literature from Kafka to Carr to seek models and warnings of the outcomes of taking games too seriously or not taking them seriously enough.

Parravano, executive editor at the magazine, offer thoughtful essays that consider how books are read to and then by young people. They invite such leading authors and artists as Maurice Sendak, Katherine Paterson, Margaret Mahy, and Jon Scieszka, as well as a selection of top critics, to add their voices about the genres.
