Putting on the Mind of Christ Jim Marion, 2011-11-01 Jim Marion's book returns us to the central challenge Christianity ought to be handing us. Indeed, how do we put on the mind of Christ? How do we see through his eyes? How do we feel through his heart? How do we learn to respond to the world with that same wholeness and healing love? That's what Christian orthodoxy really is all about. It's not about right belief; it's about right practice. Cynthia Bourgeault, author of *The Wisdom of Jesus*, asks: What does it mean to follow the path of Christ today? *Putting on the Mind of Christ* is the first book to offer an integral understanding of the Christian spiritual path, one that examines the basic stages of spiritual development described by the great saints and sages along with the psychological stages of development used by modern psychology. American mystic Jim Marion draws upon his own rich spiritual experience and deep understanding of scriptural models to show readers how to emulate the developmental stages of the Christ, how to put on the mind of Christ to achieve spiritual illumination and communion with the Christ. He examines the seven levels of consciousness of the human personality mapped by the work of Jean Piaget, Carol Milligan, and Lawrence Kohlberg and leads readers to the consciousness that Jesus called the Kingdom of Heaven, the highest level of spiritual development. Marion shows how inner spiritual growth has always been the true essence of Christian practice and shares his own spiritual experiences within a Christ-focused framework. Pioneering, transcendent, and grounded, *Putting on the Mind of Christ* will permanently alter the landscape of 21st-century Christianity.

Co-Dependence: Healing the Human Condition Charles Whitfield, 2010-01-01 Of all the books on the often misunderstood concept of co-dependence, this is probably the clearest, most complete, and informative. Charles Whitfield is a frontline clinician who has been assisting co-dependents in their healing for over twenty years. He has researched the literature on co-dependence, which he summarizes in this widely read book. He sees co-dependence as a way to more accurately describe the painful and confusing part of the human condition. In careful detail, he describes just what co-dependence is and what it is not, how it comes about, and how to heal its painful aftereffects.

HEALING ACROSS TIME I Lorrie Leigh, 2023-11-09 What are you thinking, Lorrie? Why would you tell on yourself to the whole world? Answer: Because the Holy Spirit asked me to tell my story to help others. A central theme of this book is: What is wrong with me? I learned that what was wrong was that I had many partially split personalities that had not been evident to me or others, and that repressed painful and guilty memories from my childhood and adulthood were surfacing. The teachings in *A Course in Miracles* enabled me to face those memories. My journey has been painful and a little weird, but I am glad I chose to walk into the darkness rather than deny it, because that choice led to healing and peace for me. I pray that my story will help many others come to a place of healing and peace.
