Seventy Six Trombones Meredith (1902-?) Willson, Arranged By Malone Raymond J The Big Parade Dominic McHugh,2021 Though Meredith Willson is best remembered for The Music Man there is a great deal more to his career as a composer and lyricist In The Big Parade author Dominic McHugh uses newly uncovered letters manuscripts and production files to reveal Willson s unusual combination of experiences in his pre Broadway career that led him to compose The Music Man Upstaged Diana Harmon Asher,2021-03-16 A shy seventh grader learns to step into the spotlight in Upstaged a heartwarming middle grade novel by acclaimed author Diana Harmon Asher Shira Gordon is painfully shy She rarely speaks and blushes at everything And yet when she s alone in her room she ll sing and dance dreaming she were different So when her best friend forces her to audition for their school s production of The Music Man she s mostly hoping the play will get canceled but a tiny part of her hopes she ll get in And she does As a member of the barbershop quartet Playing a dude with a mustache is not exactly her dream role but Shira is surprised by how much she loves rehearsing with her quirky new friends When her teacher asks her to understudy the lead role Marian the Librarian she reluctantly accepts It s not easy to understudy Monica Manley an eighth grade diva who will not be upstaged And things get even more complicated when a mysterious prankster starts playing tricks on Monica and Shira s crush joins the cast But something keeps Shira going and it might just be Marian herself Sure Marian is a leading lady but she s also misunderstood lonely and shy And if a star can be shy then maybe just maybe a shy person can be a star As Upstaged shows so brilliantly even the blaring of seventy six trombones is not as glorious as the unfolding of a soul out into the world Gary D Schmidt two time Newbery Honor winner Warm funny and heartfelt Upstaged will resonate with every young person who ever doubted their own abilities sang in a school musical or stood up for a friend Shira and her wonderful quirky talented group of friends will stay with you long after you turn the last page Barbara Carroll Roberts author of Nikki on the Line Smash Hits James E. Perone,2016-10-17 We are what we listen to That s the premise of this study of 100 songs that have shaped and defined the American experience from the Colonial period to the present Well known music author James Perone looks at 100 songs that helped tell America s story He examines why each song became a hit what cultural and social values it embodies what issues it touches upon what audiences it attracted and what made it such a definitive part of American history and popular culture The chart topping singles presented here crossed gender age race and class lines to appeal to the mass American audience The book discusses patriotic songs minstrel music and sacred songs and hymns as well as music in the broad categories of pop rock hip hop jazz country and folk An introduction provides an overview of the history and significant issues raised by the songs as a whole Individual songs are then presented chronologically based on when they were written The revealing commentary for each hit is not only interesting and fun but reveals what it was like to live in the United States at a particular time by unveiling the social economic and political issues as well as the musical tastes that made life what it was **First 50 Songs You Should**
