Noonan**

Sexual Violence At Institutions Of Higher Education Crs Reports:

Sexual Violence at Institutions of Higher Education Congressional Research Service, 2014-10-23 In recent years a number of high profile incidents of sexual violence at institutions of higher education IHEs have heightened congressional and administration scrutiny of the policies and procedures that IHEs currently have in place to address campus sexual violence and how these policies and procedures can be improved Campus sexual violence is widely acknowledged to be a problem However reported data on the extent of sexual violence at IHEs varies considerably across studies for a variety of methodological and other reasons Victims of sexual violence may suffer from a range of physical and mental health conditions including injuries pregnancy sexually transmitted diseases post traumatic stress disorder depression suicidality and substance abuse College students who are the victims of sexual violence may experience a decline in academic performance and they may drop out leave school or transfer Currently there are two federal laws that address sexual violence on college campuses the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act Clery Act P L 101 542 and Title IX of the Education Amendments of 1972 Title IX P L 92 318 These two statutes differ in significant respects including in their purpose coverage enforcement and remedies The Clery Act requires all public and private IHEs that participate in the student financial assistance programs under Title IV of the Higher Education Act HEA P L 89 329 of 1965 to track crimes in and around their campuses and to report these data to their campus community and to the Department of Education ED ED s Federal Student Aid FSA Office oversees educational institutions compliance with Title IV student financial aid requirements including requirements related to the Clery Act In this role FSA conducts program reviews of IHEs compliance with student aid and Clery provisions Title IX is a civil rights law that prohibits discrimination on the basis of sex under any education program or activity that receives federal funding Under Title IX sexual harassment which includes sexual violence is a form of unlawful sex discrimination Unlike the Clery Act whose coverage is limited to IHEs that receive student financial aid funds under the HEA Title IX is applicable to recipients of any type of federal education funding including any public or private elementary secondary and postsecondary school that receives such funds Although each federal agency enforces Title IX compliance among its own recipients ED which administers the vast majority of federal education programs is the primary agency conducting administrative enforcement of Title IX Such enforcement by ED s Office for Civil Rights OCR may occur as part of a routine compliance audit or in response to a complaint filed by an individual Members of Congress have been actively involved in seeking ways to improve how IHEs respond to investigate and adjudicate incidents of campus sexual violence Several bills that would strengthen existing laws pertaining to campus sexual violence have been introduced during the 113th Congress In January 2014 the Obama Administration established a White House Task Force to Protect Students from Sexual Assault In April 2014 the Task Force issued its first report Not Alone and created a website that addresses campus sexual violence Among other things the report included an extensive list of actions

that the Administration will take or has already taken to address campus sexual violence

Higher Education: Handbook of Theory and Research Laura W. Perna, 2025-01-30 Published annually since 1985 the Handbook series provides a compendium of thorough and integrative literature reviews on a diverse array of topics of interest to the higher education scholarly and policy communities Each chapter provides a comprehensive review of research findings on a selected topic critiques the research literature in terms of its conceptual and methodological rigor and sets forth an agenda for future research intended to advance knowledge on the chosen topic The Handbook focuses on a comprehensive set of central areas of study in higher education that encompasses the salient dimensions of scholarly and policy inquiries undertaken in the international higher education community Each annual volume contains chapters on such diverse topics as research on college students and faculty organization and administration curriculum and instruction policy diversity issues economics and finance history and philosophy community colleges advances in research methodology and more The series is fortunate to have attracted annual contributions from distinguished scholars throughout the world

Resources in Education, 1995-05

Reexamining the Federal Role in Higher Education Rebecca S. Natow, 2022 This book provides a comprehensive description of the federal government's relationship with higher education and how that relationship became so expansive and indispensable over time Drawing from constitutional law social science research federal policy documents and original interviews with key policy insiders the author explores the U S government's role in regulating financing and otherwise influencing higher education Natow analyzes how the government's role has evolved over time the activities of specific governmental branches and agencies that affect higher education the nature of the government's role in higher education today and prospects for the future of federal involvement in higher education Chapters examine the politics and practices that shape policies affecting nondiscrimination and civil rights student financial aid educational quality and student success campus crime research and development intellectual property student privacy and more Book Features Provides a contemporary and thorough understanding of how federal higher education policies are created implemented and influenced by federal and nonfederal policy actors Situates higher education policy

within the constitutional political and historical contexts of the federal government Offers nuanced perspectives informed by insider information about what occurs behind the scenes in the federal higher education policy arena Includes case studies illustrating the profound effects federal policy processes have on the everyday lives of college students their families institutions and other higher education stakeholders

Crime and Justice in the Trump Era Francis Cullen, Amanda Graham, 2020-05-21 Crime and Justice in the Trump Era documents the impact of Trump administration policies on 1 violence against women 2 the treatment of persons of color 3 corporate and environmental crime both domestic and international and 4 federal crime control policy First the book examines how the policies of Donald Trump s administration have affected the rights and safety of female Americans in particular violence against women including sexual assault The book then goes on to explore President Trump s very public stances devaluing people of color whether they reside within the nation s borders or are seeking entry into the United States Next the collection evaluates the collateral costs attached to the ongoing campaign to reduce regulations that protect consumers workers and the environment Likewise the valuing America s narrow self interests may also have effects internationally where crime and violence may be tied to Trump s promotion of White nationalism toleration of human rights violations and denial of climate change Lastly criminal justice policies are examined both in the early stages of Trump s presidency which were marked by his get tough rhetoric along with the more recent support for the First Step Act The authors represent different perspectives in the discipline critical feminist and mainstream criminologists quantitative and qualitative scholars and students of both street and white collar crime Taken together this book reflects a variety of criminological voices and advances immeasurably our understanding of the Trump administration s influence on crime and justice in America The chapters in this book were originally published as a special issue of Victims Offenders An International Journal of Evidence based Research Policy and Practice

Annual Report - Community Relations Service, United States Department of Justice United States. Community Relations Service, 1984 **Annual Report on School Safety**, 1998 Annual Report United States. Community Relations Service, 1994 **Federal Register**, 1993-05-03 Introduction to Crisis and Trauma Counseling Thelma Duffey, Shane Haberstroh, 2020-04-09 This introductory text integrates evidence based models and best practices with relational cultural theory which is responsive to the many forms of traumatic stress and tragedies that clients experience It is a unique contribution that emphasizes the power of the connections counselors form with clients and communities in crisis and the means by which counselors can intervene inspire growth and promote healing during times of tragedy and loss Readers will gain vital skills as they learn real life approaches to crisis work with diverse populations in a variety of settings including individuals families communities students military personnel violence survivors and clients who are suicidal The authors provide strength based trauma informed applications of cognitive behavioral therapy behavioral therapy neurofeedback mindfulness and creative practices In addition each chapter contains compelling case examples multiple choice and essay questions and key topic discussion

prompts to guide student learning and promote classroom discussion Requests for digital versions from ACA can be found on www.wiley.com To purchase print copies please visit the ACA website Reproduction requests for material from books published by ACA should be directed to publications@counseling.org **Out Of Sight, Out Of Mind** Yvonne

Vissing,2021-03-17 Because they re small they re easy to overlook Because their voices don t carry far it s hard to hear them We d rather not look too closely or listen too carefully And if we don t see them maybe they ll just go away But the invisible homeless cannot simply fly away to never never land or pull themselves up by their bootstraps or make a wish upon a star These homeless people are children and they are not always in the inner cities as Yvonne Vissing shows in this poignant study of families housing and poverty As many as a third of our nation s homeless are found in rural and small town America They are all too commonly out of sight and out of mind Homelessness in small towns and rural areas is on the rise Drawing on interviews with and case studies of three hundred children and their families with supporting statistics from federal state and private agencies Vissing illustrates the impact this social problem has upon education health and the economy Families vividly describe the ways they have fallen through cracks in the social structure from home ownership into homelessness Looking toward the future Vissing asks if homeless children are destined to become dysfunctional adults and provides a sixteen year old girl s moving testimony of the vagabond life her homeless family led While the economy and the very nature of the family have changed over past decades housing education and human service industries have failed to adapt Vissing provides a planning model for improving support networks within communities and challenges Americans with a fundamental philosophical question Do homeless children merit fullscale social intervention Ultimately Out of Sight Out of Mind compels us not merely to voice concerns for family and community values but also to assert this commitment consciously through improved essential services *Promoting Behavioral Health and Reducing Risk among College Students* M. Dolores

Cimini,Estela M. Rivero,2018-06-14 Promoting Behavioral Health and Reducing Risk Among College Students synthesizes the large body of research on college students behavioral health and offers guidance on applying evidence based prevention and early intervention strategies using a comprehensive public health framework Chapters authored by leading researchers and practitioners address a broad spectrum of important behavioral health issues interventions and challenges Moving beyond a theoretical discussion to strategies for implementation this book addresses the special issues and potential barriers faced by practitioners as they translate research to practice such as resource limitations organizational resistance challenges to program sustainability and the unique needs of special populations This cutting edge compendium will appeal to both practitioners and researchers involved in providing prevention early intervention and treatment services for college students

Federal Register Index ,2010 Commerce, Justice, Science, and Related Agencies Appropriations for 2015 United States. Congress. House. Committee on Appropriations. Subcommittee on Commerce, Justice, Science, and Related Agencies,2014 **A Culture of Second Chances** David M. Newman,2019-12-12 This book examines the iconic presence of

second chances in everyday life David Newman explores its various iterations in popular culture commercial marketplaces religion intimate relationships education criminal justice and human bodies He analyzes how this concept as a cultural aspiration driver of policy and lived personal experience has become part and parcel of our individual sense of self and our collective national identity While the rhetoric of redemption is familiar and ubiquitous Newman uncovers the costs and constraints of second chances paying particular attention to the factors that affect judgments of deservedness Informed by an array of data sources including personal interviews mission statements of nonprofit recovery agencies images in popular culture stories from the news plot summaries of novels and scriptural texts Newman frames the second chance experience as the quintessential cultural paradox a concept that simultaneously represents the pinnacle of our shared hopes for renewal and our deepest suspicions about the intransigence of human nature

Social Welfare Policy in a Changing World

Shannon R. Lane, Elizabeth S. Palley, Corey S. Shdaimah, 2024-12-22 Social Welfare Policy in a Changing World Second Edition offers an engaging student friendly approach that links policy and practice while employing a critical analytic lens to U S social welfare policy With particular attention to disparities based on class race ethnicity ability sexual orientation and gender Shannon R Lane Elizabeth S Palley and Corey S Shdaimah assess the impact of policies at the micro meso and macro levels The authors provide a brief foundation in history the policy process and theory while primarily helping students understand how policy shapes their lives communities and clients Connecting description theoretical analysis and advocacy this text challenges readers to critically assess policy development its consequences and future implications Students will come away with a newfound understanding of how to use the political process to address social justice issues and advocate for meaningful policy change
