Shane The Lone Ethnographer A Beginners Guide To Ethnography:

Shane, the Lone Ethnographer Sally Campbell Galman, 2018-10-19 Shane is at it again in this new improved second edition of the classic introduction to ethnographic research. The new text still features our intrepid heroine as she learns what makes ethnography tick against a backdrop of Wild West metaphors, cowboy hats, cattle stampedes, and cacti, and the new edition expands on important content to provide more in-depth material and deeper opportunities for readers to learn. Added indispensable material on study design, ethnographic foundations, theoretical frameworks, and ethnographic writing complements the original material from the beloved first edition. Whether you are a complete novice or someone already familiar with ethnographic method but looking to learn more about a particular aspect of study design, this text provides a fun, creative way to engage with complex methodological ideas and questions. Updates include:

The new edition synthesizes a broad range of writing on the topic of ethnographic methods, giving students a flexible frame on which to build as they delve more deeply into the material. While the first edition was focused on ethnography within the field of educational research and the paradigms driving that particular area of inquiry, this second edition is widely interdisciplinary and cross-field. The use of the comic format makes this text unusually accessible for a variety of readers and learners without sacrificing complexity or the depth of the material. The book draws from a range of new, updated sources to address what students of ethnographic methods need to know today. The classic pieces remain the same, but the rest is overhauled and updated.

The Good, the Bad, and the Data Sally Campbell Galman, 2013 An entertaining introductory guide to conducting qualitative data analysis in

comic book format following the character of Shane the Lone Ethnographer **Ethnography** Harry F. Wolcott, 2008-01-28

One of anthropology's leading writers on ethnographic methods Harry Wolcott discusses the fundamental nature of ethnographic studies Tracing its development from its disciplinary origins in sociology and anthropology he points out what is distinctive about ethnography and what it means to conduct research in the ethnographic tradition In this engaging and thought provoking book Wolcott distinguishes ethnography as more than just a set of field methods and practices separating it from many related qualitative research traditions as a way of seeing through the lens of culture For both beginning and experienced ethnographers in a wide range of disciplines Wolcott's book will provide important ideas for improving research practice Designing and Conducting Ethnographic Research Margaret D. LeCompte, Jean J. Schensul, 2010-09-16 This is Book 1 of 7 in the Ethnographer's Toolkit Second Edition The Ethnographer's Toolkit series begins with this primer which introduces novice and expert practitioners alike to the process of ethnographic research including answers to questions such as who should and can do ethnography when it is used most fruitfully and how research projects are carried out from conceptualization to the uses of research results Written in practical straightforward language this new edition defines the qualitative research enterprise links research strategies to theoretical paradigms and outlines the ways in which an ethnographic study can be designed Use Designing and Conducting Ethnographic Research as a guide to the entire Toolkit or as a stand alone introduction to ethnographic research Other books in the set Book 2 Initiating Ethnographic Research A Mixed Methods Approach by Stephen L Schensul Jean J Schensul and Margaret D LeCompte 9780759122017 Book 3 Essential Ethnographic Methods A Mixed Methods Approach Second Edition by Jean J Schensul and Margaret D LeCompte 9780759122031 Book 4 Specialized Ethnographic Methods A Mixed Methods Approach edited by Jean J Schensul and Margaret D LeCompte 9780759122055 Book 5 Analysis and Interpretation of Ethnographic Data A Mixed Methods Approach Second Edition by Margaret D LeCompte and Jean J Schensul 9780759122079 Book 6 Ethics in Ethnography A Mixed Methods Approach by Margaret D LeCompte and Jean J Schensul 9780759122093 Book 7 Ethnography in Action A Mixed Methods Approach by Jean J Schensul and Margaret D LeCompte 9780759122116 **Naptime at the O.K. Corral** Sally Campbell Galman, 2018-07-17 Shane is back The beloved heroine of students and faculty alike returns in this third volume of the acclaimed series focusing on the basic how to's and foundations of ethnographic studies of children and childhoods The book opens with Shane trying to land a post doc working in a department of cultural anthropologists studying children and childhood Rather predictably Shane initially sees children as nothing more than small adults But in this book she'll be forced to reorient herself yet again As usual she is aided by the spirits of the ancestors of senior colleagues of talking guinea pigs and gigantic head lice and through it all by her esteemed guide Billy the Literal Kid This illustrated guide will orient the reader to the fundamental challenges in doing ethnographic research with children The book begins by briefly exploring the history of research on children with children for children and by children Throughout it is about doing research with children

rather than on them highlighting their participant rather than object nature Topics covered include Foundations of child development Defining childhood The history essential theories and major works in the anthropology of childhood Children s culture and popular Kinderculture Ethical concerns and IRBs Foundations of naturalistic inquiry with children Introduction to ethnographic methods with child participants including detailed guidance in observation and interview methods Practical guidelines for analyzing children s artwork and other visual products Addressing the complexities of adult researcher subjectivities and roles This book is intended for the novice ethnographic researcher and student alike with learning at its core and is designed to encourage wider and deeper reading It is a useful tool for teaching advanced undergraduate and graduate students in Education Anthropology Childhood Studies Nursing Communications Media Studies Art Education and more as well as an essential volume for any faculty bookshelf
