Inside PreK Classrooms Judith A. Schickedanz, Catherine Marchant, 2025-10-03 Inside PreK Classrooms provides school leaders with much needed guidance and knowledge to ensure quality instruction for their youngest students Based on their extensive experience working with children and educators the authors bring readers inside real classrooms where teachers are grappling with the big ideas that lie at the core of quality preK instruction The authors examine historical shifts in early education and the most recent research to argue for an expanded view of the capacity of preschoolers They focus on critical issues in guiding instruction such as which skills are best taught in whole group versus small group settings and the value of one on one conversations between teachers and students In addition the book offers concrete recommendations that help school leaders work more effectively with preK teachers Inside PreK Classrooms tackles some of the most contentious debates in early childhood education including how preK teachers can meet state standards while honoring their traditional priorities of helping young children develop social and emotional skills and adjust to school routines Full of wisdom and insights gleaned from decades of experience immersed in research and practice this book provides a critical resource for school leaders and educators concerned with increasing access to quality preK education **Becoming Literate in the**

City Robert Serpell, Linda Baker, Susan Sonnenschein, 2005-01-10 Literacy is one of the most highly valued cultural resources of contemporary American society yet far too many children in the nation's cities leave school without becoming sufficiently literate This book reports the results of a five year longitudinal study in the city of Baltimore Maryland tracing literacy development from pre kindergarten through third grade for a sample of children from low and middle income families of European and African heritage The authors examined the intimate culture of each child's home defined by a confluence of parental beliefs recurrent activities and interactive processes in relation to children's literacy competencies Also examined were teacher beliefs and practices and connections between home and school With its broad based consideration of the contexts of early literacy development the book makes an important contribution to understanding how best to facilitate attainment of literacy for children from diverse backgrounds Teaching with the Common Core Standards for English

Language Arts, PreK-2 Lesley Mandel Morrow, Timothy Shanahan, Karen K.
