Bibliographic Guide to Dance New York Public Library. Dance Collection, 1991 **The Dance Film and Video Guide** Dance Films Association, 1991 *American Indian Studies* Dane Anthony Morrison, 1997 This collection of essays brings to college students and the general public a scholarly yet accessible and provocative text in Native American Studies The contributors draw upon their expertise in such diverse disciplines as economics education film studies history linguistics literature museum studies popular culture and religion Each essay highlights a particular aspect of Native American experience from the oppressive indoctrination of boarding schools to the successful strategic planning of Indian casinos to the exciting creativity of Native American literature In addition many of the essays introduce the reader to the disciplines through which we can approach this important and fascinating topic engagingly taking the reader through the process of how historians or economists or literary scholars go about their work *Leadership and Wisdom* Wendelin Küpers, Matt Statler, 2020-03-02 *Leadership and Wisdom Narrating the Future Responsibly* gives business students and practitioners the opportunity to re-read tales poems myths and fables that have been interpreted by leading management scholars in order to translate the world's folk wisdom into insightful and actionable lessons for a more responsible leadership practice Most if not all cultures generate narratives that teach people how to make sense of the world and how to respond to challenges with wisdom These sources provide a medium for character as well as a guide for decision making in ambiguous and uncertain

circumstances Management and organization scholars increasingly focus on what narrative wisdom traditions can teach us about leadership and organizational practices and this book is designed to bring it to students and practitioners Statler and K pers have assembled a world class team of contributors who reflect on narratives near and dear to them and draw out the lessons for leaders With consistency throughout and end of chapter questions this book enables all readers including undergraduate and postgraduate students of leadership management and organization studies as well as interested researchers and practitioners to reflect on the contents and implications of folk wisdom

Readers' Guide to Periodical Literature Bertha Tannehill, Anna Lorraine Guthrie, Neltje Marie Tannehill Shimer, 1904 An author subject index to selected general interest periodicals of reference value in libraries

Shamanic Elements in the Poetry of Ted Hughes Ewa Panecka, 2018-04-18 This study on religious experience in modern poetry features innovatory and accessible close readings of some of the most beloved authors of English verse In today s seemingly secular age religion still remains a highly contested subject The selection of texts analysed here is representative of a wide spectrum of attitudes including a sharply critical refusal to acknowledge Christianity as the basis of civilization Some poets see national religion as a framework for cultural identity while others worship nature as the omnipotent Force of Life trying to create their own gods Rather than reducing poetry to a background for philosophical analysis or theological deliberation this book presents diverse modes of the poetic endeavor to capture and convey the divine The chapters provide a range of perspectives on individual experience rendered into poetry as a subtle relationship between faith perception and language The text will be of interest to anyone looking for new ways of reading poetry as a spiritual quest
