

OECD Employment Outlook 2014

The 2014 edition of the OECD Employment Outlook reviews recent labour market trends and short-term prospects in OECD and key emerging economies. It zooms in on how the crisis has affected earnings, provides country comparisons of job quality, examines the causes and consequences of non-regular employment, and estimates the impact of qualifications and skills on labour market outcomes.

Labour market developments in Spain

a) Total compensation of employees divided by total hours worked by employees in real terms (deflating using the consumer price index).

b) OECD is the weighted average of 33 OECD countries excluding Chile.

Source: OECD Short-Term Labour Market Statistics (database), (<http://dx.doi.org/10.1787/data-00046-en>) and OECD calculations based on quarterly national accounts.

Strong job creation in recent months is welcome but further progress is needed to cut the high levels of unemployment in Spain

The number of jobless people in Spain declined significantly during the course of 2014 as strong job creation led to a significant decrease in the country's high unemployment rate. From its peak in the first quarter of 2013 at 26.3%, it fell to 23.8% in the last quarter of 2014. The unemployment rate is still 15.1 percentage points higher than before the crisis and there are still 3.5 million more unemployed. Youth unemployment is of particular concern; albeit fewer than last year, more than one in two young people in the labour market was unemployed in the fourth quarter of 2014 (52%), from less than one in five before the crisis (19% in Q4 2007). The persistence of such high unemployment among young people risks compromising their long term career prospects.

Long-term unemployment as a share of all unemployment has changed little over the course of 2014 and still stands at 53.0% (Q4 2014) in comparison to 39.1% in Q4 2007. This high rate in Spain is a matter of concern as those individuals risk becoming structurally unemployed, losing part of their human capital and motivation to look actively for jobs.

Real wages have fallen in Spain helping to boost competitiveness but at the risk of increasing hardship for low-paid workers

In most OECD countries, the crisis has resulted in a substantial slowdown in real wage growth. In Spain, real hourly wages since 2009 fell at the rate of 1.8% per year, much bigger than the one recorded for the euro area as a whole. This large downwards adjustment in wages in Spain has helped to restore the competitiveness of its economy. Prior to the crisis, labour costs had risen faster than productivity in Spain, driving

On Unemployment, Volume II Mark R. Reiff,2015-10-07 With unemployment at historically high rates that show signs of becoming structural there is a pressing need for an in depth exploration of this economic injustice Unemployment is one of the problems most likely to put critical pressure on our political institutions disrupt the social fabric of our way of life and even threaten the continuation of liberalism itself Despite the obvious importance of the problem of unemployment however there has been a curious lack of attention paid to this issue by contemporary non Marxist political philosophers On Unemployment explores the moral implications of the problem of unemployment despite the continuing uncertainty involving both its causes and its cures Reiff takes up a series of questions about the nature of unemployment and what justice has to tell us about what we should do if anything to alleviate it The book comprehensively discusses the related theory and suggests how we might implement these more general observations in the real world It addresses the politics of unemployment and the extent to which opposition to some or all of the book s various proposals stem not from empirical disagreements about the best solutions but from more basic moral disagreements about whether the reduction of unemployment is indeed an appropriate moral goal This exciting new text will be essential for scholars and readers across business economics and finance as well as politics philosophy and sociology

OECD Economic Outlook, Volume 2015 Issue 1 OECD,2015-06-19 The OECD Economic Outlook is the OECD s twice yearly analysis of the major economic trends and prospects for the next two years

Oecd Employment Outlook 2014 Volume 2014 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Oecd Employment Outlook 2014 Volume 2014 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Oecd Employment Outlook 2014 Volume 2014 has opened up a world of possibilities. Downloading Oecd Employment Outlook 2014 Volume 2014 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Oecd Employment Outlook 2014 Volume 2014 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Oecd Employment Outlook 2014 Volume 2014. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Oecd Employment Outlook 2014 Volume 2014. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Oecd Employment Outlook 2014 Volume 2014, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the

legitimacy of the websites they are downloading from. In conclusion, the ability to download Oecd Employment Outlook 2014 Volume 2014 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Oecd Employment Outlook 2014 Volume 2014 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Oecd Employment Outlook 2014 Volume 2014 is one of the best book in our library for free trial. We provide copy of Oecd Employment Outlook 2014 Volume 2014 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Oecd Employment Outlook 2014 Volume 2014. Where to download Oecd Employment Outlook 2014 Volume 2014 online for free? Are you looking for Oecd Employment Outlook 2014 Volume 2014 PDF? This is definitely going to save you time and cash in something you should think about.
