Off The Leash Its A Dogs Life English Edition:

Off The Leash: It's a Dog's Life Rupert Fawcett, 2015-10-08 Rupert Fawcett continues his hilarious observations of man's best friend in Off the Leash It's A Dog's Life. In this third installment of Off the Leash cartoons celebrate the wonderful and unique world of a dog. From the gloriously cheeky pooches who steal all the sofa space, outsmart our cats and have us wrapped up around their little paws to the adoring four-legged friends who want nothing more than our complete and undivided attention. Featuring dogs of every size, shape and breed, these cartoons delightfully capture the glorious relationships between dogs and their owners. With a hugely popular following on Facebook, Off the Leash has developed a regular daily following of more than half a million people from around the world. It's a Dog's Life...but It's Your Carpet Dr. Justine Lee, 2008-04-01 Why does my dog lick his balls? Admit it, you've always wanted to know. Well, finally, there's a professional out there who's not too embarrassed to answer bone-fide veterinarian, critical care specialist and dog lover Dr. Justine A. Lee. It's a Dog's Life but It's Your Carpet takes you behind the scenes to look at the training and off-the-record opinions of a certified vet and answers all the questions you've always wanted to ask about your dog, including: Is a dog's nose a good indicator of his health? Can a Chihuahua and a Great Dane mate? Why do dogs eat their own poop? What's the smartest breed? Can I get my dog's ears pierced? Why does my dog roll around in rotting feces? If I mix food coloring with Fluffy's kibble, will it make her poop easier to find in the yard? Written by one of two hundred veterinary board-certified emergency critical care specialists in the world, It's a Dog's Life but It's Your Carpet offers factual and funny answers to some of the most common offbeat questions about our beloved companions. Whether you're looking for advice on pet rearing solutions to your dog's most frustrating habits, explanations of his weirdest quirks or simply a good laugh, this book is sure to inform and entertain dog lovers of every breed. **A Modern Dog's Life** Paul McGreevy, 2010-05-18 An animal behavior expert combines sensible information with charming wit in an entertaining guide for new and veteran dog owners. Ken Foster, author of The Dogs Who Found Me, What do dogs value? Why do they get so excited by their daily walks? And why do canines of different breeds have different needs? Veterinarian and professor of animal behavior Dr. Paul McGreevy answers these questions and many more, explaining what life is like from a pooch's perspective, including a special section about dogs and city living. Filled with humor and memorable characters, including Uncle Wolf and Feral Cheryl, this guide offers insights from recent studies on how dogs see, smell and experience the world. Explanations of canine behavior accompanied with over forty action photos. Tips on everything from petting them to calming them at the vet's. User-friendly training techniques that build skills gradually and keep your pet motivated. Dr. McGreevy offers an exciting new approach to training a dog. By acting as a life coach rather than an alpha dog or parent and by looking at the process as a fun opportunity for you and your pet to grow closer and learn new skills, you can greatly improve your dog's quality of life and teach good behavior at the same time. Science, experience and common sense. Your dog will want you to read it. Mark Evans, chief veterinary adviser, Royal Society

for the Prevention of Cruelty to Animals *How to give your dog a real dog's life* Owen Jones, 2024-02-09 Dogs of a certain breed may share some behavioural characteristics For example most Labradors enjoy swimming and love to fetch a ball or a stick because retrieving fallen game is what they were designed to do There are exceptions to every rule but knowing a breed s designed behavioural as well as physical characteristics will help you to decide on a dog that will likely be a good fit for you and your lifestyle The more research you do before you go to choose your dog the more likely you are to get the best dog for you and or your family or environment You are taking the right first step now by considering this book Almost everyone has fond memories of being with animals when they were young it is what makes people try to reproduce the situation either for themselves or their children but what most people forget is that their parents trained those animals they did not just come like that There is no such thing as a perfect pet perfect dog perfect human or perfect anything There is as good as you re going to get as best as you can make it and what best suits you Dogs of a certain breed may share some behavioural characteristics For example most Labradors enjoy swimming and love to fetch a ball or a stick because retrieving fallen game is what they were designed to do There are exceptions to every rule but knowing a breed s designed behavioural as well as physical characteristics will help you to decide on a dog that will likely be a good fit for you and your lifestyle The more research you do before you go to choose your dog the more likely you are to get the best dog for you and or your family or environment You are taking the right first step now by considering this book Translator Owen Jones PUBLISHER TEKTIME *Living A Dog's Life* Pasquale De Marco, 2025-05-01 In *Living A Dog s Life* you ll embark on a heartwarming journey into the world of canine companionship discovering the extraordinary bond between humans and dogs This comprehensive guide is packed with practical advice expert insights and heartwarming stories that will help you become the best possible dog owner Whether you re a first time dog owner or a seasoned pet parent *Living A Dog s Life* offers a wealth of knowledge and guidance to help you navigate the joys and challenges of canine companionship You ll learn how to choose the right dog breed for your lifestyle understand dog behavior and provide your furry friend with the love care and attention they deserve Explore chapters dedicated to dog health and nutrition training and obedience exercise and playtime and grooming and hygiene Discover how to create a safe and comfortable home for your dog ensuring their physical and emotional well being Learn about common dog health problems and how to prevent them and find tips for traveling with your canine companion *Living A Dog s Life* goes beyond the basics delving into the deeper aspects of dog psychology and the unique bond we share with our furry friends You ll gain insights into canine communication learn how to read your dog s body language and discover ways to strengthen your relationship with your pet This book is more than just a guide to dog ownership it s a celebration of the extraordinary bond between humans and dogs With its engaging writing style heartwarming stories and practical advice *Living A Dog s Life* will inspire you to create a fulfilling and lasting relationship with your canine companion Whether you re a dog lover looking to deepen your understanding of these amazing creatures or
