Three Sexy Office Menages Daisy Rose, 101-01-01 This sizzling 3 book bundle has alpha males filling submissive women in cars parking lots casinos offices and more The women are coaxed into complying without thought throwing caution to the wind as they bare it all to their colleagues and customers in public In this anthology you will find Office Surrender Office Obligations Office Pleasures PG Excerpt from Office Pleasures We've been here before haven't we he continued waiting impatiently as he leaned on his cane I had never thought of Mr Trevor as an attractive man He was too muscular too manly and just too much of an alpha He was the type of guy who would marry a woman and demand she stay at home so he could take care of her But right now as he teased and taunted her I felt my insides clenching and crossed my legs to hide my desire Yes she said wrapping her arms around herself The crowd around her was waiting with their breaths held She gasped when Tommy the burly bouncer grabbed her by the waist and lifted her onto the betting table Her new position allowed us to see every inch of her naked body She must be in her early twenties Her skin was smooth and soft and her lips parted in a soft oh that made her look even more desirable She crossed her legs in embarrassment and had wrapped an arm around her breasts Mary Trevor's voice was a growl of warning that vibrated through the room She looked around and realized that she had captured the attention of every man and woman in the casino What do I do she asked her voice trembling as much as her fingers Turn around and open your legs wide he ordered She took a deep breath and turned around on all fours Lie down he instructed Yes sir she whimpered trembling in a mixture of fear and arousal Tie her wrists and ankles he said suddenly looking at me My brain wouldn't focus and I started at him numbly I felt like I was in a dream everything was so surreal and unbelievable He must have seen the apprehension in my eyes since he repeated the instruction slowly My body surged into action and I quickly pulled the tablecloths we had hidden beneath the table and used it to tie her hands and feet to the edges of the table It was surreal to feel such soft skin on my fingertips I lingered on her ankles and had to be tougher since she was fighting against me on my last knot I couldn't look away even if I wanted to Like what you see Casey my boss asked his voice a deep murmur that made me tremble Yes sir I replied honestly He looked stunned for a moment then quickly regained his composure You're going to enjoy the show then he said

Billionaire Bosses & Pain: 3 Hot Office Shorts Daisy Rose,2016-06-03 Billionaire bosses take what they want exactly when they want it Immediately These alpha males take unsuspecting submissive women in the very offices where they work The women submit to perverse tasks and bare it all in public all to please the men they work for In this anthology you can find three hot office shorts including Office Domination Office Lust Office Tease Excerpt Office Domination As you might know already Mr Stone is an eccentric man she started picking up her own glass from behind the counter I couldn t help but stare at her shapely behind as she leaned over the counter to reach her glass She smiled at me when she turned around her gaze dropping a little lower to study me in detail I looked down at my unimpressive buttoned shirt and black slacks Brock used to nag me about how I dressed like a man but he had long since given up As long as I did good work behind the computer it mattered little what I wore The soft music from the speakers calmed me as did the smooth whiskey in the glass I had assumed she poured me wine until the sharp bite of much stronger 80 proof alcohol reached my throat I ve heard of the rumors I admitted It wouldn t matter though I added hastily worried that she had misjudged my reason for being here I m not here to get some gossip about Mr Stone The only questions I am interested in are business related Of course she said grabbing my wrists in a way that was both gentle and firm as she guided me to the seating area Have a seat I squirmed on the edge of my seat and stared at her perfect long legs as she crossed them One thing you should know getting in is that Mr Stone never does favors without something in return My breath caught in my throat If he was looking for monetary compensation we weren t quite ready for that I don t think our entire month s gross revenue was enough to cover his hourly fee Perhaps I had bitten off more than I can chew when I agreed to this assignment Not only did I not have a background in journalism I wasn t well versed in negotiations either I had came to the interview with the assumption that he would answer my questions and we would be done and over with It s not money he s after she continued hitting the nail on the head and I let out the breath I was holding She smiled when she saw my look of relief Mr Stone has more money than he knows what to do with Then what is it I asked feeling compelled to add to the conversation Mr Stone is curious about how much he can push a normal person over the edge she explains cryptically What exactly does that mean I didn t turn into a writer for a magazine by allowing people to be mysterious It means he would probably ask you to do a number of tasks that will challenge you both emotionally and physically

Watched Timea Tokes,2021-01-25 For the past year I have been fantasizing about my billionaire boss Little did I know that he was watching me all this time Meet Logan Wright badass billionaire who always gets what he wants Except I

didn't think he wanted me I stumbled into his office all wet and ready He was arrogant and so far up his own backside that I didn't have a choice I ran out never to look back A decision I regretted the minute I made it He chased me down and offered me a job Never anything more though What I couldn't stand when we first met I'm craving now I want him to dominate me and I would do anything it takes to have him have his way with me Enough is enough and I'm finally ready to turn the heat up in the office It's just my luck that Logan chose the same day to make his next move too even though it's a bit different to what I had in mind Apparently he has a dark side I never saw coming and he will do things to me that make me blush to my core But will I back out Hardly He might be a billionaire and he might be my boss but I am not his typical date I speak my mind and I get what I want too And right now I want Logan Wright Note from the Author This is a BDSM Billionaire Boss Contemporary Office Romance in 6500 words It being a short story expect insta romance as well as a cliffhanger This is Book 1 in the BDSM Billionaire Series with more stories to come every week Some characters will stay with us for the duration of several books while there will be standalones in the series too and every book can be read on its own It's highly recommended though that books with the same characters are read in their order of publication Includes mature scenes slight BDSM and dark humour You have been warned *Bimbo at Work (Bimbo Billionaire MFM Menage Exhibitionist Office Erotica)* Jessica Whitethread, 2015-05-30 Reader Advisory This story is for mature audiences only and features intensely erotic situations multiple partners group sex exhibitionist themes bimbofication and the use of potent aphrodisiacs a billionaire alpha male and his young secretary submissiveness and dominance All characters are 18 or older Rachel's four years in college were supposed to prepare her for bigger and better things but working for a man like Peter Everette takes all the sting out of being a secretary He may already be one of the city's most powerful men at the young age of 34 but he's so approachable and friendly with his newest employee that she can't help but sometimes think about more than a work relationship Trying to look good for her boss she's bought herself a beauty supplement that promises more than just good skin But when the supplement turns out to have some additional properties new hormones kick Rachel's fantasy of seduction into sudden overdrive Before she's had time to think she's flaunting her new attitude and assets through the office in ways that Mr Everette and the other partners accustomed to the firm's stuffy work environment can't help but notice and act on It's not long before the fertile but inexperienced young woman is getting all the attention she can handle and more Excerpt I shifted over to stand in front of the reflective metallic panel that held the floor number keypad and bent down to make sure I looked alright It must have been the slightly distorted shape of the panel but the changes I had observed earlier in the morning seemed if anything to have increased Also my nipples were poking out very obviously through the thin cloth of my blouse Good lord had I looked like that this whole time My body clenched in delicious embarrassment as I realized after the fact just why my appearance had made such an impression on my new friend John I had never been dressed so inappropriately in public in my life let alone in the middle of the financial sector in the middle of a work day I rubbed at the

offending nipples Oh God did that feel good but it did the exact opposite of the desired effect Between the tightness of the fabric and the prominence of my nipples I sort of looked like a girl in a wet t shirt contest I giggled a little remembering I had once thought about entering one of those back in college but not being able to muster the courage For whatever reason it didn't seem to occur to me that looking like that in a nightclub during spring break was a little different from showing up for work as a secretary on the forty fifth floor Nothing could lessen my good mood I removed the key from my purse that authorized the elevator to go beyond the public floors and in another thirty seconds I watched the doors open on the familiar lobby that I presided over I tiptoed out of the elevator and peeked across at the blind obscured windows of his office The light was on I sighed accepting my comparative ineptitude with resignation He could fly to Washington speak at a conference fly home and be back at work before I could snap a bra on and drive seventeen blocks Actually I had only managed half of those things Who knew why he put up with me

Maid for the Boss Man Tala Melton,2021-09-06 There are few things billionaires like more than being surrounded by beauty So when 24 year old Alice applied for a housekeeping position with billionaire Ricardo White she was hired before she even opened her mouth

Tied up at the Office: Seduced by my Billionaire Bosses , Lisa s always had a crush on the billionaire twin bosses who run her company and one night she finds herself alone at the office with the rugged Michael and stern Richard The brothers are used to getting what they want and Lisa quickly discovers that this time she s the prize It s going to be a long night of work for the three of them Contains rough sex double penetration and more Excerpt We re all alone you know Everyone else has gone home Michael murmured It was a strange thing to say but I felt my stomach quiver all the same Alone with these two handsome attentive men Yes they were my bosses but there was something exhilarating about their sudden attentions I felt my head starting to spin once more and definitely not from the heat It s not so bad I said offering a coy smile You re both good company So you wouldn't be opposed to getting to know us a little better It was Richard s turn to smile and now I quite easily detected a charged undercurrent some hint I wasn't quite getting I noticed he had flipped open the first aid kit and was idly rummaging through it I felt that warm quivering in my belly again and a little lower Was this really happening Well I wouldn't be totally against it Not even if we were a little rough Richard held up a roll of medical tape his lips curling into a wicked grin I stared at it uncomprehending for a moment Strong calloused hands suddenly seized me from behind and before I had a chance to react I was hoisted effortlessly onto the table Instinct took hold of me and I began to struggle but the hands grabbed my wrists pulling them together behind my back and holding me firmly I heard an amused chuckle rising from behind me followed by a the distinctive rrip of tape I froze at the sound What what are you going to do to me I managed Don't worry Michael s soft baritone rumbled in my ear I could feel the warmth of his proximity and it sent a tingle through my spine It won't hurt At least as long as you don't struggle too much Richard added leaning in close to my ear His voice was thick with lust His brother s calloused hands held my arms in a vice like grip as Richard began to wrap my wrists with the tape My brain

screamed with the need to fight back but my body hesitated The situation had triggered something primal in me I could feel my arousal building with their rough manipulations of my body Even the sound of the tape sent a thrill through me I felt a growing warmth spreading throughout my body and I realized I was already wet Suddenly I wasn't sure I wanted to escape not that I could have Even one of the brothers would have been too strong for me with two of them I didn't even stand a chance Still I didn't want to give in right away Part of me felt the need to resist No I shouted Not not like this You don't have to I let out a gasp as the arms pulled at me roughly pivoting me on the table to give Richard better access to my arms The sudden force yanked my blouse loose from my skirt and I could feel the cool air strike my exposed midriff I considered calling for help A split second later I stopped myself who would hear me And more importantly did I want anyone to hear Did I want someone to come interrupt this encounter with two beautiful powerful men men every last woman in the office would kill for and who were prepared to take me
