An Appalachian Odyssey Russ Walkup,2014-03-07 This book is a tribute to my parents who instilled in me a strong will to succeed The emphasis was on hard work and honesty There was little money available but that made little difference to the boys in Keiffer Holler Most of the time we were busy working and our leisure time was spent in the beautiful mountains and fishing Until I was a junior in high school I thought a log cabin in the rural hills of Greenbrier County a job in a union mine and a four wheel drive vehicle would mean the perfect life vehicle would mean the perfect life My story deals with the many twists and turns of leaving the mountains of Appalachia Some are sad and some are hilarious The cultural differences I encountered could be compared to Homers account of the Greek Odysseus My experiences could never measure up to the Cyclops but there were many challenges along the way The strong values I gained during my formative years in Appalachia were a major factor guiding me to success throughout my first 76 years of life *Inside Sports College Basketball* Mike Douchant,1996 Viewed by more fans than either the World Series or the Super Bowl college basketball s championship series is the single biggest sporting event in America today This is the most comprehensive source on the sport covering not just the 17 day NCAA championship but every aspect of college basketball in the U S as well 200 photos **Athletic Journal** ,1950 Vols 9 10 include proceedings of the 8th 11th annual meeting of the American Football Coaches Association and of the 3d 6th annual meeting of the National Association of the Basketball Coaches of the United States **Broadcasting** ,1946
