avant garde wife a gifted abstract expressionist who stumble into his path and become perfect targets in his cover up scheme A cunning and powerful bureaucrat who sees opportunity and personal advantage in a new investigative scenario His beautiful and sultry mistress who loves him but naively becomes a pawn in his power game A crusading young antagonist who closes in on the well kept secret A canny veteran newspaperman who understands power and its limitations and puts the machinery of justice in motion A disgruntled detective whose career swings 180 degrees when he turns a humiliating defeat into victory The incorruptible Speaker of the House the one man he cannot afford to alienate who upholds the Constitution and the rule of law against his scheming ambition The author employs his understanding of Congress Capitol Hill and the many dimensions and nuances of the American political process to weave a story of power ambition courage love and other virtues and vices imparted by the game of politics
