Rude Food Vir Sanghvi, 2004. If you like the smell of truffles, you also like sex. If on the other hand you think it reminds you of socks, then you're probably lousy in bed. Star journalist and popular television anchor Vir Sanghvi wears many hats by day. He writes serious political columns in the evenings. He's at a studio interviewing a celebrity and sometime in between he is both gourmet and gourmand. And when Sanghvi writes on food, he pulls no punches, celebrating what is good and savagely attacking what is bad. He combines culinary history, travel, and culture to rank among the best food writers of today. Inspired, erudite, and wonderfully witty, *Rude Food* is a collection of Sanghvi's essays on food and drink, from breakfast rituals to sinful desserts, airlines khana to what our favourite film stars love to eat, from chefs at five-star hotels to food critics. Vir Sanghvi has his finger on the pulse of what we put into our stomachs and why. If you want to know how tandoori chicken arrived in India, the three golden rules of sandwich making, or the three kinds of bad service you should absolutely not put up with, who eats out the most in Bombay, and where you are most likely to find Prime Minister Vajpayee tucking into his favourite cuisine, then this is the book you must have. Full of culinary secrets and gastronomic tips, *Rude Food* tells you the key to the perfect pizza, the easiest way to make risotto, what the nation's fast food of choice is, the truth about your cooking oil, and much, much more.
