The Spirit of Food Leslie Leyland Fields,2010-09-15 You are invited to a feast for the senses and the spirit Thirty four adventurous writers open their kitchens their recipe files and their hearts to illustrate the many unexpected ways that food draws us closer to God to community and to creation All bring a keen eye and palette to the larger questions of the role of food both its presence and its absence in the life of our bodies and spirits Their essays take us to a Canadian wheat farm a backyard tomato garden in Cincinnati an organic farm in Maine into a kosher kitchen a line of Hurricane Katrina survivors as they wait to be fed a church basement for a thirty hour fast inside the translucent layers of an onion that transport us to a meditation on heaven to a church potluck and to many other places and ways we can experience sacramental eating In a time of great interest and equal confusion over the place of food in our lives this rich collection which includes personal recipes will delight the senses feed the spirit enlarge our understanding and deepen our ability to eat and drink to the glory of God Featuring the writings of Robert Farrar Capon Wendell Berry Lauren Winner Luci Shaw Andre Dubus Jeanne Murray Walker Brian Volck and many others INCLUDING ORIGINAL RECIPIES **Forty Days with Ruth** Carol Welty Roper,2018-06-28 It is 1898 and Ruth is an adventurous young Texan who stands at just four feet eleven inches tall Naturally spiritual she has an intimate relationship with all life forms but not so much with other humans After eloping with Riley Welty a carefree and impulsive man whom she barely knows she runs away with him across the Red River and into Oklahoma Territory to claim free land much to the dismay of her family As Ruth attempts to survive in a lonely place where she knows no one she faces many trials that affect her physically emotionally and spiritually After her husband sets out on a lengthy hunting trip and leaves her alone in a dugout shelter that is smaller than her bedroom back home Ruth must rely on the wisdom gathered from scripture and God inspired family and friends to endure the long days But as fire ants hail and fierce winds wreak havoc on the prairie and in her life now only time will tell if love will conquer fear and allow Ruth to find the strength within herself to not only survive but thrive on a barren parcel of land Forty Days with Ruth shares the coming of age tale of a young woman s experiences after she elopes with a dreamer in search of a better life in Oklahoma during the nineteenth century
