Final version of the timetable

Changes made since the publication of the provisional timetable are shown in red.

Contingency days

The awarding bodies have designated the afternoon sessions of Thursday 6 June 2024 and Thursday 13 June 2024 and the morning and afternoon sessions of Wednesday 26 June 2024 as 'contingency sessions' for examinations. This is consistent with the qualification regulations' document Exam system contingency plan: England, Wales and Northern Ireland - <https://www.gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland>

Leaving the examination

Candidates must remain under supervision until 10:00 am for morning examinations and until 2:30 pm for afternoon examinations. For examinations of less than one hour's duration, candidates must be supervised until the published finishing time of the examination.

Timetable deviations

If you need to arrange overnight supervision, the forms do not need to be returned to OCR but must be completed and held in your centre records. When a change is made to the published starting time of an examination, it is the responsibility of the centre to inform all candidates affected by the alteration.
