**Chemistry Student Unit Guide** Mike Smith, 2009-06-26 Student Unit Guides are perfect for revision. Each guide is written by an examiner and explains the unit requirements, summarises the relevant unit content and includes a series of specimen questions and answers. There are three sections to each guide: Introduction includes advice on how to use the guide, an explanation of the skills being tested by the assessment objectives, an outline of the unit or module and, depending on the unit, suggestions for how to revise effectively and prepare for the examination questions; Content Guidance provides an examiner's overview of the module's key terms and concepts and identifies opportunities to exhibit the skills required by the unit. It is designed to help students to structure their revision and make them aware of the concepts they need to understand the exam and how they might analyse and evaluate topics; Question and Answers sample questions and, with graded answers, which have been carefully written to reflect the style of the unit. All responses are accompanied by commentaries which highlight their respective strengths and weaknesses, giving students an insight into the mind of the examiner. **AS OCR Chemistry** J. Older, Mike Smith, 2008-03-01 This textbook has been written specifically to meet the needs of students following the OCR AS chemistry specification and provides thorough, carefully structured coverage of the subject content. OCR AS Chemistry provides comprehensive coverage of both subject units, exploring the specification content with a range of examples, giving students the knowledge and skills they need for their exam. Differentiated stretch and challenge extension topics deepen students' subject understanding. Exam-style questions mean students can practice essential revision and exam skills. Examiner commentary throughout the text gives students invaluable content guidance and advice. *As Chemistry OCR B Revision Guide* Richard Parsons, 2008-07-01 AS Level Chemistry OCR B Salters Complete Revision Practice
