Ike's Mystery Man Peter Shinkle,2022-01-18 The Cold War The Lavender Scare and the Untold Story of Eisenhower's First National Security Advisor President Eisenhower's National Security Advisor Robert Bobby Cutler working alongside Ike and also the Dulles brothers at the CIA and State Department shaped US Cold War strategy in far more consequential ways than previously understood A lifelong Republican Cutler also served three Democratic presidents A charming raconteur he was a tight lipped loyalist who worked behind the scenes to get things done Cutler was in love with a man half his age naval intelligence officer and NSC staffer Skip Koons Cutler poured his emotions into a six volume diary and dozens of letters that have been hidden from history Steve Benedict who was White House security officer Cutler's friend and Koons friend and former lover preserved Cutler's papers All three men served Eisenhower at a time when anyone suspected of sexual perversion i.e. homosexuality was banned from federal employment and vulnerable to security sweeps by the FBI This gripping account reveals in fascinating detail Cutler's intimate thoughts and feelings about US efforts to confront Soviet expansion and aggression while having to contend with the reality that tens of millions of people would die in a first nuclear strike and that a full nuclear exchange would likely lead to human extinction And Shinkle recounts with sensitivity the daily challenges and personal dramas of a small but representative group of patriotic gay men who were forced to hide essential aspects of who they were in order to serve a president they admired and a country they loved *Harry Styles* Tammy Gagne,2019-07-04 British superstar Harry Styles rocketed to fame around the world as a member of the pop music group One Direction The band had formed in 2010 while its members were competing on the televised talent competition The X Factor After ruling the pop music charts for several years and selling out nearly every concert they played the group decided to call it quits in 2015 But Harry was far from done with the music business He wanted to pursue a rock music career on his own Today he is a successful solo music artist as well as a promising actor *The History of MDMA* Torsten Passie,Udo Benzenhöfer,2023 The history of MDMA starts as a story of rivalry between pharmaceutical companies looking to circumvent

a patent for the synthesis of medically significant substances at the beginning of the 20th century However to begin we will take a closer look at two claims repeatedly made about the earliest history of MDMA **Cognitive Enhancement** Fabrice Jotterand, Veljko Dubljević, 2016 Discussions on cognitive neuroenhancement for healthy adults tend to focus on theoretical positions while concrete policy proposals and detailed models are scarce Furthermore discussions generally rely solely on data from the US or UK while international perspectives are mostly non-existent This volume fills the gap addressing the conceptual ethical social and legal implications of cognitive enhancement from an international perspective *Coming of Age in Popular Culture* Donald C. Miller, 2018-10-25 Documenting the evolution of teens and media from the 1950s through 2010 this book examines the films books television shows and musical artists that impacted American culture and shaped the coming of age experience for each generation The teenage years are fraught with drama and emotional ups and downs coinciding with bewildering new social situations and sexual tension For these reasons pop culture and media have repeatedly created entertainment that depicts celebrates or lampoons coming of age experiences through sitcoms like *The Wonder Years* to the brat pack films of the 1980s to the teen centered television series of today *Coming of Age in Popular Culture* Teenagers Adolescence and the Art of Growing Up covers a breadth of media presentations of the transition from childhood to adulthood from the 1950s to the year 2010 It explores the ways that adolescence is characterized in pop culture by drawing on these representations shows how powerful media and entertainment are in establishing societal norms and considers how American society views and values adolescence Topics addressed include race relations gender roles religion and sexual identity Young adult readers will come away with a heightened sense of media literacy through the examination of a topic that inherently interests them *Extraordinarily Ordinary* Erin A. Meyers, 2020-02-14 *Extraordinarily Ordinary* offers a critical analysis of the production of a distinct form of twenty first century celebrity constructed through the exploding coverage of reality television cast members in *Us Weekly* magazine Erin A Meyers connects the economic and industrial forces that helped propel *Us Weekly* to the top of the celebrity gossip market in the early 2000s with the ways in which reality television cast members fit neatly into the social and cultural norms that shaped the successful gossip formulas of the magazine *Us Weekly*'s construction of the extraordinarily ordinary celebrity within its gossip narratives is a significant symptom of the broader intensification of discourses of ordinariness and the private in the production of contemporary celebrity in which fame is paradoxically grounded in just being yourself while simultaneously defining what the right sort of self is in contemporary culture **Dylan on Dylan** Jeff Burger, 2018-05-01 In a 1969 conversation with Rolling Stone editor Jann Wenner Bob Dylan proclaimed I don't give interviews But in truth he has spoken at length with print publications large and small and with broadcast media around the world given numerous press conferences and even answered listeners questions on call in radio shows Dylan can be as evasive and abstruse as he is witty he can also be cranky and sarcastic But in the right moments he offers candid revealing commentary about his groundbreaking music and creative process These

Stadel,2023-08-07 In *The Heirs of Theodore* Seth M Stadel examines A ob of Qatar a late 6th century East Syriac biblical commentator and his surviving Old Testament exegetical works He further investigates what can be deduced of A ob s influence on the later East Syriac exegetical tradition and he details the originality of A ob s exegesis especially in comparison with earlier and contemporary Greek and Syriac sources By presenting the first annotated edition English translation and study of A ob s extant Old Testament exegetical works Stadel is able to show that A ob represents a distinct voice within the East Syriac exegetical tradition **Focus On: 100 Most Popular United States National Medal of Arts Recipients** Wikipedia contributors, [A Practical Guide to Mindfulness-Based Compassionate Living](#) Erik van den Brink,Frits Koster,Victoria Norton,2018-06-18 *A Practical Guide to Mindfulness Based Compassionate Living* Living with Heart is a step by step guide for those who wish to deepen their mindfulness skills with compassion for a healthier happier life and more fulfilling relationships It offers a clear structure as well as ample freedom to adjust to individual needs starting with learning to be kind to yourself and then expanding this to learn how to be kind to others This guide consists of eight chapters that follow the eight sessions of the mindfulness based compassionate living training programme To enhance the learning experience this book features accessible transcripts and downloadable audio exercises as well as worksheets to

Malicious Deceivers Ioana B. Jucan, 2023-08-08 In *Malicious Deceivers* Ioana B Jucan traces a genealogy of post truth intimately tied to globalizing modernity and connects the production of repeatable fakeness with capitalism and Cartesian metaphysics Through case studies that cross times and geographies the book unpacks the notion of fakeness through the related logics of dissimulation deception and simulation performativity as seen with software AI television plastics and the internet Specifically Jucan shows how these dis simulation machines and performative objects construct impoverished pictures of the world ensuring a repeatable sameness through processes of hollowing out embodied histories and lived experience Through both its methodology and its subjects objects of study the book further seeks ways to counter the abstracting mode of thinking and the processes of voiding performed by the twinning of Cartesian metaphysics and global capitalism Enacting a model of creative scholarship rooted in the tradition of writing as performance Jucan a multimedia performance maker and theater director uses the embodied I as a framing and situating device for the book and its sites of investigation In this way she aims to counter the Cartesian voiding of the thinking I and to enact a different kind of relationship between self and world from the one posited by Descartes and replayed in much Western philosophical and more broadly academic writing a relationship of separation that situates the I on a pedestal of abstraction that voids it of its embodied histories and fails to account for its positionality within a socio historical context and the operations of power that define it

List Cultures Liam Young, 2025-10-01 We live in an age of lists from magazine features to online clickbait This book situates the list in a long tradition asking key questions about the list as a cultural and communicative form What Liam Cole Young asks can this seemingly innocuous form tell us about historical and contemporary media environments and logistical networks Connecting German theories of cultural techniques to Anglo American approaches that address similar issues *List Cultures* makes a major contribution to debates about New Materialism and the post human turn
