Good Cook Simon Hopkins, 2013-11-05. Published as the companion volume to the BBC Television show of the same name, *The Good Cook* is a collection of 100 of legendary chef Simon Hopkins's favorite recipes drawn from his childhood, his restaurant career, and his most memorable meals. A good cook for Simon is someone who cares as much about eating as cooking. A good recipe becomes a great dish when the cook has thought about the ingredients and treated them well. These ingredients do not have to be expensive; Simon's genius lies in his belief that a cheap cut of meat, for example, cooked with care can often taste nicer than a choice one prepared by an indifferent hand. Structured around Simon's love of good ingredients and written with his trademark perfectionism and precision, this book is for anyone who loves to cook and wants to learn from one of the best.
