She welcomes us to the table with tasty bites from the sea including home-cured tuna and mackerel, seasonal salads and vegetable surprises. Egg-Battered Zucchini Roll-Ups, Sweet Onion Gratin. She reveals the secret of simple make-ahead soup bases, delicious on their own and easy to embellish for a scrumptious soup that can make a meal. She opens up the wonderful world of pasta, playing with different shapes, mixing and matching and creating sauces while the pasta boils. She teaches us to make fresh egg pastas, experimenting with healthful ingredients: whole wheat, chestnut, buckwheat and barley. And she makes us understand the subtle arts of polenta and risotto making as never before. She shares her love of vegetables, skillet cooking some to intensify their flavor, layering some with yesterday's bread for a lasagna-like gratin, blanketing a scallop of meat with sautéed vegetables and finishing seasonal greens with the perfect little sauce. She introduces us to some lesser-known cuts of meats for main courses: shoulders, butts and tongue, and underused delicious fish: skate and monkfish, as well as to her family's favorite recipes for chicken and a beautiful balsamic-glazed roast turkey. And she explores with us the many ways fruits and crusts, pie, strudel, cake and toasted bread marry and produce delectable, homey desserts to end the meal. Lidia's warm presence is felt on every page of this book, explaining the whys and wherefores of what she is doing, and the brilliant photographs take us right into her home, showing her rolling out pasta with her grandchildren, bringing in the summer harvest and sitting around the food-laden family table. As she makes every meal a celebration, she invites us to do the same, giving us confidence and joy in the act of cooking.
