*My Odyssey* Jeyaraj C. Rajarao, 2022-12-06 This autobiography is reflective of the many dimensional attitudes of the author Dato Jeyaraj C Rajarao As he recounts his life story it is evident that he has lived a life with passion integrity wit and mischief A life of black and white with very little grey in it The narrative begins with a simple story of love that spans decades It then takes the reader through a young boy's experience of the Japanese occupation of Malaya until she gains independence It is obvious that the political social and economic situation of the period influenced Rajarao as a young boy and helped form his ideologies Rajarao is hard hitting and critical when he conveys his opinions about the activities of the Prime Minister and his cohorts that caused Malaysia to be regarded as the worst kleptocratic country in the world However the reader becomes aware of how much Rajarao loves and despairs for Malaysia as he shares how she is being torn apart by race and religion based policies No doubt there is much that can be regarded as controversial or confrontational but that is inevitable when truth is told The book is intensely personal and immensely interesting He is brutally honest as he admits his mistakes and apologizes This book is recommended reading for the young and the old as it is both a history book as well as an autobiography It is dribbled with sharp observations on life and draws the reader into a different era yet it also educates them and recommends a purpose driven life The Odyssey is certainly most thought provoking enlightening and stimulating

The UPSC Odyssey: Daring to Dream an IAS Officer Priyabhishek Sharma, 2020-01-13 This is the thrilling story of an IAS aspirant whose journey began in the humble settings of a modest village The story runs through four crisscrossing streams First is an ambitious but reluctant youth embarking on a journey to achieve the unimaginable Second is a vulnerable human being hanging between the contrasting pulls of choice and destiny The third stream is a silent student of the book called life where in the course of this odyssey some invaluable and timeless lessons of wisdom dawn on the traveller The fourth stream is that of an experiential guide and master who has insightful lessons to share with his fellow travellers and their guardians The narrative has a universal appeal resonating with the quest of all who dare to dream and desire to achieve

Yunker,2022-09-26 This book blends real world history intellectual history and personal history into a compelling case for a new way of thinking about such highly controversial and highly misunderstood concepts as market socialism a Global Marshall Plan and world government It argues that if properly designed according to clear and specific blueprints all three of these possibilities would indeed greatly benefit humanity if they were fully implemented The book puts a human face on these proposals by documenting their origin and development through a detailed account of the author s professional efforts over a long and productive academic career This story of steadfast determination in the face of steep odds will resonate deeply with every person who has nourished a vision that is commonly dismissed as excessively idealistic and unrealistic
