

Paper 1: Oedipus the King (worth 75 points)

Please consider all portions of the prompt in your essay. Your paper should be at least 1100 words. Please use a readable font and double-space your paper. You must submit it via your account on Turnitin.com (make sure you are correctly registered on the site WELL BEFORE you attempt to submit your paper - see the Syllabus for information).

Do not use outside sources; stick to the text of the play, the film assigned for class, and the other readings assigned so far in this course (if they apply). Remember to cite these sources if you quote them, borrow turns of phrase from them, or appropriate ideas directly from them. Limit direct quotations to 2 lines or less per quote.

Avoid plot summary.

You may use any formal method of citation, but stick to the same method throughout your paper.

Paper 1 Prompt Background:

Greek tragedies are plays that were intended to reinforce traditional religious values, as ancient Greek society became more and more sophisticated. In *Poetics* (which is linked from the course main page, if you want to check it out), the philosopher Aristotle discusses poetry (including epic poetry) and theatre, describing the similarities and differences in terms of format, method, and overall purpose. He provides that all artistic representations of life (which present the possibility of what could be real life, without actually describing real events) fulfill humanity's desire to experience and learn.

"Though the objects themselves may be painful to see, we delight to view the most realistic representations of them in art... The explanation is to be found in a further fact: to be learning something is the greatest of pleasures not only to the philosopher but also to the rest of mankind, however small their capacity for it; the reason of the delight... is that one is at the

Selected Papers from the English Institute, 1981 **Ambiguity in the Western Mind** Craig J. N. De Paulo, Patrick A. Messina, Marc Stier, 2005 Ambiguity in the Western Mind includes a collection of essays by internationally renowned scholars such as John D. Caputo, Camille Paglia, Jaroslav Pelikan and Roland Teske along with a preface by Joseph Margolis all taking up the question of the significance of ambiguity in Western thought This engaging topic will be of interest to scholars and students alike from across the disciplines Tracing the conceptual relevance of ambiguity historically and through some of the great books that have formed Western consciousness this volume is a major contribution to the contemporary discussion surrounding this controversial notion especially as a hermeneutical concept for interpreting the classics Audiences Ian Christie, 2012 This timely volume engages with one of the most important shifts in recent film studies the turn away from text based analysis towards the viewer Historically this marks a return to early interest in the effect of film on the audience by psychoanalysts and psychologists which was overtaken by concern with the effects of film linked to calls for censorship and moral panics rather than to understanding the mental and behavioral world of the spectator Early cinema history has revealed the diversity of film viewing habits while traditional box office studies which treated the audience initially as a homogeneous market have been replaced by the study of individual consumers and their motivations Latterly there has been a marked turn towards more sophisticated economic and sociological analysis of attendance data And as the film experience fragments across multiple formats the perceptual and cognitive experience of the individual viewer who is also an auditor has become increasingly accessible With contributions from Gregory Waller, John Sedgwick and Martin Barker this work spans the spectrum of contemporary audience studies revealing work being done on local non-theatrical and live digital transmission audiences and on the relative attraction of large scale domestic and mobile platforms Publisher's website
