Part 1: Key Content

This is where you will review key terms, people, events, and concepts associated with this unit. You will also provide the greater significance of the term/person within the context of this time period.

Part 2: Note Pages

Using the Thematic Focus, Learning Objective, and Historical Developments for each topic, you will be generating your own notes. Information will come from class discussions, readings, assignments, and other resources.

Part 3: Geography

On the map provided you will color and label the civilizations and geographic features that helped shape this period of time. In addition, you will provide geographic contextualization that offers a snap-shot of how geographic conditions affected each civilization.

Part 4: Historical Argumentation

Using the Historical Developments and relevant evidence in this unit, you will complete an assignment that focuses on a special Reasoning Process (Comparison, Continuity and Change, and Causation).

because it focuses on the exam's Insider's Language. It is an outstanding supplement to a traditional review program. It helps your preparation for the exam become easier and more efficient. The strategies, puzzles, and questions give you enough exposure to the Insider's Language to use it with confidence and make it part of your long-term memory. The World History SAT Exam Vocabulary Workbook is an awesome tool to use before a course of study as it will help you develop a strong working Insider's Language before you even begin your review. Learn the Secret to Success. After nearly 20 years of teaching, Lewis Morris discovered a startling fact: Most students didn't struggle with the subject; they struggled with the language. It was never about brains or ability. His students simply didn't have the knowledge of the specific language needed to succeed. Through experimentation and research, he discovered that for any subject, there was a list of essential words that when mastered, unlocked a student's ability to progress in the subject. Lewis called this set of vocabulary the Insider's Words. When he applied these Insider's Words, the results were incredible. His students began to learn with ease. He was on his way to developing the landmark series of workbooks and applications to teach this Insider's Language to students around the world.
