Illustrated Religious Texts in the North of Europe, 1500-1800 Feike Dietz, Adam Morton, Lien Roggen, 2016-12-05 In recent years many historians have argued that the Reformation did not as previously thought hamper the development of Northern European visual culture but rather gave new

impetus to the production diffusion and reception of visual materials in both Catholic and Protestant milieus This book investigates the crosscurrents of exchange in the realm of illustrated religious literature within and beyond confessional and national borders and against the background of recent insights into the importance of on the one hand material as well as on the other hand sensual and emotional aspects of early modern culture Each chapter in the volume helps illuminate early modern religious culture from the perspective of the production of illustrated religious texts to see the book as object a point at which various vectors of early modern society met Case studies together with theoretical contributions shed light on the ways in which illustrated religious books functioned in evolving societies by analysing the use re use and sharing of illustrated religious texts in England France the Low Countries the German States and Switzerland Interpretations based on points of material interaction show us how the most basic binaries of the early modern world Catholic and Protestant word and image public and private were disrupted and negotiated in the realm of the illustrated religious book Through this approach the volume expands the historical appreciation of the place of imagery in post Reformation Europe

The Holy Mass Cap., Thomas G., OFM Weinandy, 2021-01-08 The Catholic University of America Press is proud to present the third volume in its Sayings of the Fathers of the Church series Featuring esteemed scholars and writers compiling material from our acclaimed Fathers of the Church volumes each title is devoted to select areas of theology The inaugural volumes covered the Seven Deadly Sins and the Four Last Things and now we turn to The Holy Mass The documents of early Christianity are rich in mentions of the Mass and its component parts Sometimes they re detailed descriptions sometimes quick allusions In this volume Mike Aquilina a popular author on early Christianity takes readers step by step through the Mass from the Sign of the Cross through the Dismissal illuminating the way with the words of the Fathers Along the way readers encounter familiar rites words and gestures but also familiar complaints about long homilies bad singing liturgical abuses and distracted congregations The Holy Mass is divided into chapters based on the parts of the Mass known to modern Catholics of the Roman Rite The Mass did not follow this sequence through the entirety of the era of the Fathers Gregory the Great moved the position of the Lord s Prayer There were geographic variants for the placement of the Sign of Peace Some ancient liturgies lacked a specific penitential rite though all the liturgies had a penitential dimension to their prayers Mike Aquilina s introduction provides historical context and describes the rich development of the liturgy through the Church s first few centuries A foreword by Thomas Weinandy a member of the Vatican s International Theological Commission speaks of the relevance of this material for worshipers today

A Lever and a Place to Stand Richard Rohr, 2011 Explores the challenges the rewards the call and the possibilities of integrating a sincere inner life with an active life of engagement with the pain of the world
