School Law of Ohio UNKNOWN. AUTHOR,2015-07-27 Excerpt from School Law of Ohio Accompanied by Blank Forms Prepared by the Secretary of State for the Use and Government of School Officers

Gentlemen In compliance with the joint resolution of the General Assembly passed March 14th A D 1853 I have prepared forms to accompany the school law herewith published with as much care as my official duties would allow It is believed that they embrace all the topics contemplated without transcending the limits prescribed by the resolution It is hoped they will aid school officers in the discharge of their duties under the law and contribute to render them less intricate and difficult to be performed Side notes have been prepared with great care and a copious index both to the law and to the forms It will be observed that the accompanying act repeals the law transferring the duties of Superintendent of common schools to the Secretary of State No provision having been made for the discharge of duties heretofore devolving upon the School Department previous to the election of a School Commissioner in October next I am in the daily receipt of letters from all parts of the State making inquiries in regard to such points of the law as appear ambiguous or difficult to comprehend In many instances these complaints of ambiguity are well founded owing doubtless to the magnitude of the subject and the necessarily complicated nature of the system embraced by the law but in a large majority of cases the difficulties are imaginary resulting from an indisposition on the part of those charged with its execution to examine and study the law in all its parts In conclusion I beg to remark to all those who may be charged with the execution of the law that all the forms that can be prepared or explanations that can be made will not obviate the necessity of closely studying its provisions as a whole and in detail About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
