- What are some nutritious meal/snack ideas?

\*the students present their answers at the end of the activity and discuss as a class.

2. The "Meal Planning Assignment" is handed out and discussed. The students have class time to work on it. (Assignment attached below).

\*The class is provided with Loblaw's food fliers which advertise the sales, Canada's food guide and their textbook to use as resources.

\*The students are given a field trip form to get signed and return to the teacher. (Walking / in class field trip to the local grocery store). (Also attached).

3. Included in the assignment is a final reflection that asks students to think about their experience and reflect on it as well as discuss the strategies and knowledge that they applied to their project.
