COURSE OBJECTIVE:

Global History & Geography is a two-year course required for graduation. All students must take and pass the New York State Regents Examination at the end of their sophomore year. The purpose of this course is for students to gain an in-depth understanding of the historical and geographic trends of societies around the world.

POLICIES:

Absences

- Why it matters: Regular attendance is directly related to student success. Although assignments and notes can be made up, the instruction missed, cannot.
- Policy: It is the student's responsibility to obtain, complete and turn in any work that was missed. Students with a legal absence will be given the equivalent amount of time to make up missed work. If a student misses a test, they should plan to stay after school to make it up the day they return.

Tardiness

- Why it matters: Time on task is essential to learning. Additionally, it is disruptive to the class when a student is late.
- Policy: If a student is tardy to class (without a legitimate pass) more than twice, he/she will receive a class detention and/or a referral each time thereafter.

Work Completion

- Why it matters: Assignments are not given as "busy work" but are rather designed specifically to help students learn, practice, and master the content. If an assignment is not completed on time, the student's unpreparedness will affect his/her ability to understand and participate in the day's lesson.
- Policy: All assignments are due at the start of class. Most assignments can be made-up by staying after school, but the student's "classroom expectations" grade will be lowered accordingly.

Plagiarism/Cheating

- Why it matters: Grades are given in order to assess what a student has learned and understands. It is immoral and unfair for a student to substitute someone else's understanding or expression for his/her own.
- Policy: Plagiarism and cheating will **NOT** be tolerated under any circumstance. The student will receive a ZERO for that assignment, as well as a referral.

Electronic Devices

- Why it matters: Electronic devices distract students from learning.
- Policy: Electronic devices should not be seen or heard in class unless the teacher explicitly states otherwise. The student will receive one warning. Any subsequent infractions will result in a referral as well as a "pocket" to keep their phone in.

Hats & Hoods

- Why it matters: Hats & hoods are not appropriate for the classroom & make regulating other classroom expectations difficult to enforce fairly.
- Policy: Hats & hoods should be removed before entering the classroom. The student will receive one warning. Any subsequent infractions will result in a referral.
