

NOTE:

If, when you remove the rock from its box it appears to be excited, place it on some old newspapers. The rock will know what the paper is for and will require no further instruction. It will remain on the paper until you remove it.

A place of its own.

Your pet rock and you.

Your PET ROCK will be a devoted friend and companion for many years to come. Rocks enjoy a rather long life span so the two of you will never have to part—at least not on your PET ROCK's account. Once you have transcended the awkward training stage your rock will mature into a faithful, obedient, loving pet with but one purpose in life—to be at your side when you want it to, and to go lie down when you don't.

A PET ROCK is perfect for people who hate animals, are allergic to animals, or who are not allowed to keep animals. When you own a PET ROCK you never have problems with leash law violations, you'll never have to clean up nasty messes, and your pet will never keep you and the neighbors awake at night. PET ROCKS are welcome everywhere.
