Pete Prisco Nfl Report:

NFL Draft , Jags to Riches John Oehser,Pete Prisco,2014-08-19 Jags to Riches is the ultimate fan book chronicling the Jacksonville Jaguars improbable run to the AFC Championship Game and within one game of going to the Super Bowl In Jags to Riches Prisco and Oehser of the Florida Times Union cover the wildly successful 1996 season of Jacksonville s pro football team a surprising development because the Jaguars were in only their second year and had compiled a dismal 4 12 record in their first An expansion team in a city that had sought a pro grid franchise since 1979 its concentration had been on signing young athletes with the expectation that they would be ready to make a major move in three years And although coach and general manager Tom Coughlin had gotten off to a bad start with the team members he was an important contributor because he judged players solely on their ability and drive and not on their press clippings according to the authors In his first year Coughlin s coaching reflected more of his college than his pro background gradually he relaxed many of his rules and the team was better for it Most amazing was the record since after 11 games it stood at 4 7 then came five straight wins in the regular season and play off victories against highly favored Buffalo and Denver **Management**

Bias in the Booth Dylan Gwinn, 2015-03-02 Most of us see sports as a welcome even blessed relief from the challenges and frustrations of everyday life We want to sit back open a beer and enjoy the game But many of those who bring us the game have a different agenda they use their broadcasting platform to harangue us with their own politically correct preoccupations If a seventh round NFL draft pick who can t make the team or an over the hill basketball player declares that he s gay he gets wall to wall media coverage and is hailed as a hero If a stripper accuses college lacrosse players of rape liberal sports reporters lead the lynch mob with no apologies when the bearers of white privilege are proved innocent In his blistering new book Bias in the Booth sports reporter and commentator Dylan Gwinn takes you inside the sports media spin machine to reveal what they hope you won t notice the sports media are no different from the news and entertainment media
