

Writing Task 2

Task: Write **three** or **three** well-developed paragraphs using HEAL structure to address the prompt. You must cite textual evidence from two texts of your choice and analyze that evidence within your paragraphs. Remember to address the prompt for both texts.

Prompt: Identify a **central theme** in two texts and analyze how the author's use of **one** writing strategy (literary element or technique) develops the central theme.

In both texts *The Universal Declaration of Human Rights* by the UN Commission on Human Rights and *A True Refuge* by Aung San Suu Kyi, the central idea is that basic rights must be fought for and protected. Although one text is a declaration and one text is a speech, both texts serve to persuade their audience. For instance, *The Universal Declaration of Human Rights* states "It is essential, if man is not to be compelled to have recourse, as a last resort, to rebellion against tyranny and oppression, that human rights should be protected by the rule of law", on page 9 lines 12-13. This quote conveys the message that once the government has made it clear that it will not protect or help its people, it is the citizen's duty to rebel against wrongdoing and force the protection of their rights. This statement is meant to be acknowledged by different nations and to encourage other governments to protect their people. Furthermore, this statement is meant for nations to understand that when citizens are angry and rebelling it is because there seems to be no other way to fight for equity. Lastly, in *A True Refuge* by Aung San Suu Kyi the author states: "The greatest threats to global security today come not from the economic deficiencies of the poorest nations but from religious, racial (or tribal) and political dissensions raging in those regions where principles and practices which could reconcile the diverse instincts and aspirations of mankind have been ignored, repressed or distorted", page 11 lines 3-5. This quote means that what threatens our
