Ruth Dowson, 2021-11-11 This unique volume examines death from a socio cultural events perspective Drawing on the empirical and conceptual work produced by an international body of researchers it is the first publication to look at death dying memorialization and their mediation from an events orientation By placing the contribution of these scholars together this book provides a unique opportunity to instigate an international critical discussion around the connectivities associated with death and events Chapters consider connections to death and events on many levels including individual local communally based construals of the event landscape the relationship between death and events into larger socio cultural frames of reference Chapteres also consider how death and events are manifest through diverse platforms of mediation with a discussion of the media presentation of end of life events and the articulation of death online Case studies from a wide ranging selection of countries from Moscow to Bangladesh to Cambodia are examined throughout This will be of great interest to upper level students and researchers in event studies as well as a variety of other disciplines such as sociology Choosing a Research Method, Scientific Inquiry: Christian S. Yorgure PhD, 2018-06-15 This book and cultural studies provides the necessary operational understanding of the methods of research with a rare insight using detailed examples The thirst for education has increased geometrically around the globe In fact governments and advocacy groups see the drive for the attainment of formal training as a social change agent with ramifications in other domains including democratization and more equitable society. The success of these campaigns has seen increased programs in colleges and individuals embracing different programs based on cost and convenience and so on Some students work independently with little direction This book is written to serve as a companion providing the necessary guidance on research methods and it is useful for anyone involved in research primarily due to specific examples including case study research utilizing qualitative and quantitative designs Business Essentials for Strategic Communicators M. Ragas, E. Culp, 2014-12-17 The rise of digital media and the public s demand for transparency has elevated the importance of communication for every business To have a voice or seat at the table and maximize their full value a strategic communicator must be able to speak the language and understand

business goals issues and trends The challenge is that many communicators don't hold an MBA and didn't study business in college Business Essentials for Strategic Communicators provides communication professionals and students with the essential Business 101 knowledge they need to navigate the business world with the best of them Readers will learn the essentials of financial statements and terminology the stock market public companies and more all with an eye on how this knowledge helps them do their jobs better as communication professionals Thinking Tools Rahinah Ibrahim, 2020-12-17 The Thinking Tools is a self help book for preparing doctoral students towards navigating a 3 year PhD journey It will help new doctoral candidates who just realized how overwhelming things are once the journey started It also enlightens those doctoral students who are thinking about quitting the journey because the end never seems to be in sight Based on the author's ethnography study the book points out key misconceptions at different research design phases which are detrimental to postgraduates from developing countries due to differences in their learning cultures The book includes several unconventional tips such as for fast critical writing and avoidance of research methodology thinking until after completion of rigorous literature review The Thinking Tools book is a systematic compilation of selected simple tools for helping graduate students develop their understanding about the complex doctoral study Kicking off with an emotional problem identification the author introduces the innovative RQ Constructs formulae for developing novel inquiries She details how this inquiry concept helps visualise the critical linkages among key research methodology components to ensure a doctoral qualification The tools have proven to accelerate critical thinking competency if followed well by the doctoral students with some guidance from their supervisors Strengthening the Human Right to Sanitation as an Instrument for Inclusive Development Pedi Obani, 2018-05-03 Over a third of the current 7 3 billion people worldwide are burdened with poor sanitation services The resulting social relational and ecological exclusion make the realisation of the human right to sanitation HRS a critical concern development concern However the literature has evolved in a largely compartmentalised manner focusing on the formal recognition of the HRS in domestic legal systems without sufficiently addressing the drivers of poor sanitation services This research expounds on the impact of the HRS on human wellbeing and the environment within the context of a developing country like Nigeria as a case study The findings show that contrary to the focus in the literature the drivers of poor sanitation services are not confined to legal factors such as the formal recognition of the HRS within domestic legal systems Rather the drivers include social economic and environmental limitations to improved sanitation services Based on the findings the book argues that the focus in the literature on the formal recognition of the HRS in national legal systems is insufficient for tackling the main drivers of poor sanitation services It is therefore necessary to reformulate the HRS discourse using complementary governance instruments that advance social relational and ecological Global Leisure and the Struggle for a Better World Anju Beniwal, Rashmi Jain, Karl Spracklen, 2018-04-06 This inclusion edited collection highlights the diversity and reach of global leisure studies and global leisure theory It explores the impact of globalization on leisure and the sites of resistance and accommodation found in local virtual and global leisure spaces Unlike any other collection on leisure studies Global Leisure and the Struggle for a Better World is truly representative of the diversity of the large and growing leisure scholarship across the globe It demonstrates how researchers in leisure studies and sociology of leisure are applying complex theory to their work and how a new theory of global leisure is emerging

Gender Security And International Politics DR. AURORA MARTIN ,DR. NANDINI BASISTHA ,2023-09-03 This book contains thirty three Best Paper Award winning articles presented in the IIHSG International Conference 2021 on Gender Security and Global Politics organised by Interdisciplinary Institute of Human Security Gender Security and Law Gender Security and Governance Gender Security Gender Security Gender Security and Sustainable Development Non Governmental Gender Security Measures Global Agencies for Gender Security Global Parameters for Gender Security Gender Security in Domestic Sphere Child Security Threats Recent Trends and Gender Security and Pandemic Recent Trends I hope that this collection of essays can become a benchmark for the future as well as spur new research agendas and projects that will put the region into a much needed conversation on the recent trends of gender security in world politics The volume is essential reading for social scientists bureaucrats and non governmental political activists interested in gender security It will also appeal to public policy analysts and scholars who have yet to adopt the contribution of critical security and development studies in the analysis of different dimensions of gender security
