Praying in the Dark Daniel O. Snyder, 2022-10-04 Nonviolence for the soul Nonviolence for the world The future of democracy How are we going to find our way through all the polarizations to a new world that works for everyone Against the backdrop of his Quaker heritage and his own life story Dan Snyder brings together the four disciplines of theology depth psychology strategic nonviolence and spirituality The resulting conversation points toward a reimagining of God self and world We can be both incredibly joyful and deeply responsible citizens. We can drink from the deep wells of compassion and mercy Those wells are fed by hidden springs that are beyond fixed ideologies beyond belief and doubt beyond action and inaction even beyond all of our convictions about religious moral or political correctness We are created by Love for love We drink deeply from Love s hidden spring when we learn to pray in the dark The Lord's Prayer, Let Us Pray Martha S. Gilliss, 2002-01-01 This practical book for use in Reformed worship boasts a collection of highly engaging prayers written by current Presbyterian pastors and theologians Unique amidst most prayer books the language of these prayers is conversational in tone rather than formal and their concerns represent a diversity of approaches Divided into sections by seasons of the liturgical year Let Us Pray includes prayers of confession petition intercession and thanksgiving as well as assurances of pardon litanies and calls to worship Pray This Way to Connect with God Hal Green, 2023-01-03 Prayer is the singular bridge between you and God The state of your prayer life is the state of your God relationship It is as vital to your well being to develop a flourishing prayer life as it is to develop satisfying communication with loved ones If you seek to know God personally this book will assist you in your seeking as well as in your finding If you want to transform your prayers from a monologue with you merely addressing God to a dialogue with God also addressing you this book is for you It will guide you from what prayer is to how to pray from breath prayers all the way to contemplative prayer Celtic Ways to Pray Ruth Lindberg Pattison, 2022-02-22 Celtic traditions point to God in the natural elements in this refreshing take on how to pray Where is God when we pray Artist and priest Ruth Pattison looks to the legacy of Celtic spirituality to say God is in all of creation that surrounds us earth fire water air and not up in the clouds She invites the reader into a grounded spirituality rooted deep in Celtic tradition that sees everything as infused with the Spirit including humanity The material will deepen the experience of worship with creative hands on spiritual practices for the context of liturgy It can also be used for creating the structure and substance of retreats spiritual formation classes and for helping parents who want to learn to pray with children The Prayer of Silence Alexander Ryrie, 2012 Fairacres Publications 172 The cultivation of an inner life of prayer has always formed an essential part of the Christian way Many long for silence and stillness yet the words contemplative prayer can seem to denote some specialist method of prayer Sandy Ryrie using the more accessible phrase
