Abstracts: Authors of the 100 best papers are asked to provide an abstract of their paper. The abstract should be no longer than 100 words and should be submitted with the paper.

It is still not understood why, however, and we are sure the authors have made serious attempts at understanding this. It is hoped that work in these areas will help to answer why the color gene appeared in the wild. The authors do not mention any evidence for selection, or perhaps just an alternative that selection may have been responsible for the color.
