how Englishness emerged against the institutions and experiences of the British Empire rendering English culture subject to local determinations and global negotiations In his view the Empire was less a place where England exerted control than where it lost command of its own identity Analyzing imperial crisis zones including the Indian Mutiny of 1857 the Morant Bay uprising of 1865 the Amritsar massacre of 1919 and the Brixton riots of 1981 Baucom asks if the building of the empire completely refashioned England s narratives of national identity To answer this question he draws on a surprising range of sources Victorian and imperial architectural theory colonial tourist manuals lexicographic treatises domestic and imperial cricket culture country house fetishism and the writings of Ruskin Kipling Ford Maddox Ford Forster Rhys C L R James Naipaul and Rushdie and representations of urban riot on television in novels and in parliamentary sessions Emphasizing the English preoccupation with place he discusses some crucial locations of Englishness that replaced the rural sites of Wordsworthian tradition the Morant Bay courthouse Bombay s Gothic railway station the battle grounds of the 1857 uprising in India colonial cricket fields and last but not least urban riot zones

conclude the book considers W E Henley's *Invictus* and Rudyard Kipling's *If* asking why the idea of the memorized poem arouses such different responses in the United States and Great Britain today Focusing on vital connections between poems individuals and their communities *Heart Beats* is an important study of the history and power of memorized poetry

The Imagination of Charles Dickens (RLE Dickens) A. O. J. Cockshut, 2013-05-13 This book describes Charles Dickens as an ordinary man who by being perfectly tuned to the public taste developed into a master of his art The clue to this paradox lies in the author's opinion in Dickens' obsession with such topics as money crowds and prisons which touch the life of everyone From the deep fears of his childhood they became the main food for his imagination As his creative mind worried over them so his art developed This process provided the driving force behind his work and is at the root of his greatness as an artist
