Pro Reclaiming Abortion Rights:

Pro Katha Pollitt, 2014-10-14 A New York Times Book Review Notable Book From noted feminist and longtime columnist for The Nation award winning author Katha Pollitt's Pro Reclaiming Abortion Rights presents a powerful argument for abortion as a moral right and social good As the Supreme Court is set to overturn the landmark decision that legalized abortion nationwide this urgent controversial book reframes abortion as a common part of a woman's reproductive life one that should be accepted as a moral right with positive social implications Nearly fifty years after the Roe v Wade ruling Abortion is still a word that is said with outright hostility by many despite the fact that one in three American women will have terminated at least one pregnancy by menopause Even those who support a woman's right to an abortion often qualify their support by saying abortion is a bad thing an agonizing decision making the medical procedure so remote and radioactive that it takes it out of the world of the everyday turning an act that is normal and necessary into something shameful and secretive Meanwhile the rights once upheld by the Supreme Court are threatened to be repudiated and systematically eroded by state laws designed to end abortion outright Pro reaffirms the priority of a woman's life and health and discusses why terminating a pregnancy can be a force for good for women families and society It is time Pollitt argues that we reclaim the lives and the rights of women and mothers A refreshing and comprehensive look at abortion rights Pro is a passionate plea and a book that is needed now more than ever Salon Ultimately Pollitt is arguing not just for reproductive rights but for reproductive justice which places the right to mother or not within the global context of human rights and social and economic justice inextricable from the fight for universal health insurance immigration reform and a host of social challenges The Chicago Tribune

Pro: Reclaiming Abortion Rights Katha Pollitt, 2014-10-14 Argues that abortion is a common part of a woman's reproductive life and should not be vilified but instead accepted as a moral right that can be a force for social good

Changing Abortion Laws in Mexico Through Advocacy and Human Rights Clara Eugenia Franco Yáñez, 2025-03-07 Changing Abortion Laws in Mexico Through Advocacy and Human Rights presents the recent evolution of abortion laws in Mexico 2007 2021 and how advocates have shaped them through human rights discourses challenging social norms Utilizing extended expert interviews it offers a uniquely deep dive into the mapping of Mexico's recent legal landscape concerning abortion addressing an issue of concern for contemporary feminist movements By thoroughly analyzing this debate as it happened on the ground in Mexico the author examines how activists for and against legal abortion have shaped norms and laws analyzing their proposals for legal and public policy reforms The book maps out this sociopolitical and legal landscape throughout the past decade beginning with abortion legalization in Mexico City in 2007 throughout the political backlash that ensued in other subnational states and culminating with the Supreme Court's decision in 2021 to decriminalize abortion The Mexican case is explored through a dual lens firstly by zooming in to Mexico as a country case where federalism makes for a complex and fascinating legal landscape and secondly by zooming out to

networks of transnational advocates and their linkages to global norms and institutions The concluding considerations provide closing reflections on the abortion in Mexico story and the ways in which advocates on this and other issue areas might find ways to advance ideas normative concepts find common ground with ideological opponents and implement successful policy change This book will be of great interest to students and scholars of Politics and International Relations International Law Feminist Studies and Latin American Studies

Beyond the Abortion Wars: A Way Forward for a New Generation Camosy, 2016-09 Now in paperback A terribly timely take on the polarized abortion debate The abortion debate in the United States is confused Ratings driven media coverage highlights extreme views and creates the illusion that we are stuck in a hopeless stalemate In this book published in hardcover in March 2015 Charles Camosy argues that our polarized public discourse hides the fact that most Americans actually agree on the major issues at stake in abortion morality and law Unpacking the complexity of the abortion issue Camosy shows that placing oneself on either side of the typical polarizations pro life vs pro choice liberal vs conservative Democrat vs Republican only serves to further confuse the debate and limits our ability to have fruitful dialogue Camosy then proposes a new public policy that he believes is consistent with the beliefs of the broad majority of Americans and supported by the best ideas and arguments about abortion from both secular and religious sources

Abortion across Borders Christabelle Sethna, Gayle Davis, 2019-03-26 A timely examination of how restrictive policies force women to travel both within and across national borders to access abortion services Safe legal and affordable abortion is widely recognized as an essential medical service for women across the world When access to that service is denied or restricted women are compelled to carry unwanted pregnancies to term seek backstreet abortionists attempt self induced abortions or even travel to less restrictive states provinces and countries to receive care Abortion across Borders focuses on travel across domestic and international boundaries to terminate a pregnancy Christabelle Sethna and Gayle Davis have gathered a cadre of authors to examine how restrictive policies force women to move both within and across national borders in order to reach abortion providers often at great expense over long distances and with significant safety risks Taking historical and contemporary perspectives contributors examine the situation in regions that include Texas Prince Edward Island Ireland Australia the United Kingdom and Eastern Europe Throughout they take a feminist intersectional approach to transnational travel and access to abortion services that is sensitive to inequalities of gender race and class in reproductive health care This multidisciplinary volume raises challenging logistical legal and ethical questions while exploring the gendered aspects of medical tourism A noticeable rollback of reproductive rights and renewed attention to border security in many parts of the world will make Abortion across Borders of timely interest to scholars of gender and women s studies health medicine law mobility studies and reproductive justice Contributors Barbara Baird Niklas Barke Anna Bogic Hayley Brown Lori A Brown Cathrine Chambers Ewelina Ciaputa Gayle Davis Mary Gilmartin Agata Ignaciuk Sin ad Kennedy Lena Lennerhed Jo Ann MacDonald Colleen MacQuarrie Jane O Neill Clare Parker Christabelle Sethna Sally

Sheldon **The Moral Case for Abortion** Ann Furedi, 2016-07-27 This thought provoking book sets out the ethical arguments for a woman's right to choose. Drawing on the traditions of sociological thinking and moral philosophy it maintains that there is a strong moral case for recognizing autonomy in personal decision making about reproductive intentions. More than this it argues that to prevent a woman from making her own choice to continue or end her pregnancy is to undermine the essence of her humanity. The author, a provider of abortion services in the UK, asserts that true respect for human life and true regard for individual conscience demand that we respect a woman's right to decide and that support for a woman's right to a termination has moral foundations and ethical integrity. This fresh perspective on abortion will interest both pro and anti choice individuals and organizations along with academics in the fields of gender studies, philosophy, ethics and religion.

Aftermath Elizabeth G. Hines, 2025-07-30 After nearly fifty years as settled constitutional law, the federally protected right to an abortion in America is now a thing of the past. The Supreme Court's overturning of *Roe v. Wade* has left Americans without a guaranteed right to access abortion, and the cost of that upheaval will be most painfully felt by individuals who already struggle with access to resources: the poor, Black and brown communities, and members of the LGBTQIA population. Pulling together the experiences, expertise, and perspectives of more than 30 writers, thinkers, and activists, *Aftermath: Life in Post-Roe America* offers a searing look at the critical role *Roe* has played in improving women's and pregnant people's lives, what a future without *Roe* may look like, and what options exist for us to secure reproductive freedom in the future. With contributions from Jessica Valenti, Soraya Chemaly, Michele Goodwin, Alyssa Milano, Ruby Sales, Heather Cox Richardson, Robin Marty, Linda Villarosa, Jennifer Baumgardner, and more, this anthology is essential reading for anyone who cares about the future of reproductive rights in America and beyond.

After Repeal Kath Browne, Sydney Calkin, 2020-01-15 The referendum to overturn Ireland's near total abortion ban in 2018 stands as one of the most remarkable political events of recent times. The campaign to repeal the 8th amendment succeeded not only in challenging centuries of religious and patriarchal dogma but in signalling a major transformation in Irish society itself. *After Repeal* explores both the campaign and the implications of the referendum result for politics, identity, and culture today. Bringing together a range of international perspectives, this collection transcends geographical and disciplinary boundaries while exploring themes including activism, artwork, social movements, law, media, democratic institutions, and reproductive technologies. This work looks beyond the Irish context and to the future, offering unique insight into the wider struggle for reproductive justice around the world.

Abortion in the Age of Unreason Warren M. Hern, 2024-09-30 This vivid account by a nationally prominent doctor reports the daily challenges of offering and receiving abortion services in a volatile political and social atmosphere. In stories from the front lines from protecting patients and staff from protesters' attacks to the dangers to women of restricted access to abortion services, and the pertinent findings of his remote research in Latin America, Hern's book is strikingly detailed, just as it exposes the needs of women and the U.S. national interest. Dr. Hern, an abortion specialist, researcher, scholar, and highly

visible public advocate shows how abortion saves women's lives given the many risks that arise during pregnancy remarkably more than most people realize He points to political and national solutions to reverse a reawakened crisis that now threatens democracy Throughout the book Dr Hern shows how the current emergency was largely created by political actors who have exploited and distorted the abortion issue to increase and consolidate their power A vital component of women's health care the crisis over abortion is not new Yet the reversal of Roe v Wade and the steady accumulation of power by America's right wing has put the issue at a level of urgency and national prominence not seen since the days before legalization Women's need for safe abortion services will continue as the struggle to secure their rights intensifies This book is about that struggle during what has evolved over the last 50 years to an Age of Unreason **The Common Law Inside the Female Body**

Anita Bernstein, 2019 Explains why lawyers seeking gender progress from primary legal materials should start with the common law **The Case for Life (Second edition)** Scott Klusendorf, 2023-10-24 Pro Life Advocate Scott Klusendorf Answers the Important Question What Are the Unborn Pro life Christians take heart the pro life message can compete in the marketplace of ideas if Christians properly understand and articulate that message In light of the 50th anniversary of Roe v Wade too many Christians do not understand the essential truths of the pro life position making it difficult for them to articulate a biblical worldview on issues like abortion cloning and embryo research This second edition of The Case for Life now with added content provides intellectual grounding for the pro life convictions that most evangelicals hold Author Scott Klusendorf simplifies the debate the sanctity of life is not a morally complex issue The debate turns on one key question What is the unborn In this timely ebook Klusendorf teaches readers what the role of the pro life Christian should be and how to lovingly and winsomely engage in questions and objections Timely Covers current hot button topics related to abortion cloning and embryo research Ideal for Christians or Anyone Curious about the Pro Life Movement Written for those looking to learn more about the pro life argument and why it matters Logically Grounded Klusendorf explains the core of the argument and how to engage in a thoughtful and loving way Additional Content Includes two new chapters on how to organize material for a pro life talk and what it means to be pro life **Without Apology** Jenny Brown, 2019-10-01 An

indispensable guide to building a fighting feminist movement for reproductive freedom With an antiabortion majority on the Supreme Court and several states attempting to outlaw abortion altogether many activists are on the defensive hoping to hold on to reproductive rights in a few places and cases This spirited book shows how feminism can start winning again Jenny Brown uncovers a century of legal abortion in the United States until 1873 recalls women's experiences in the illegal days and shows how the women's liberation movement of the 1960s really won abortion rights She draws inspiration and lessons from the radicals of Redstockings the Army of Three and the Jane Collective putting together a road map for today's organizers from the black feminist argument for reproductive justice the successful fight to make the morning after pill available over the counter and the recent mass movement to repeal Ireland's abortion ban Brown argues that politically

conservative nonprofits have been setting the agenda emphasizing rare tragic cases and relying on the rhetoric of choice and privacy. Instead, it is time to return to the fundamental ideas that won legal abortion in the first place. Women publicly telling the full truth of their own experience demanding repeal of all abortion restrictions and showing how abortion and birth control are the key demands in the struggle for women's freedom. *After the Rise and Stall of American Feminism* Lynn S. Chancer, 2019-02-26. It is more than fifty years since Betty Friedan diagnosed malaise among suburban housewives and the National Organization of Women was founded. Across the decades the feminist movement brought about significant progress on workplace discrimination, reproductive rights, and sexual assault. Yet the proverbial million-dollar question remains: why is there still so much to be done? With this book, Lynn S. Chancer takes stock of the American feminist movement and engages with a new burst of feminist activism. She articulates four common causes: advancing political and economic equality, allowing intimate and sexual freedom, ending violence against women, and expanding the cultural representation of women, considering each in turn to assess what has been gained or not. It is around these shared concerns, Chancer argues, that we can continue to build a vibrant and expansive feminist movement. *After the Rise and Stall of American Feminism* takes the long view of the successes and shortcomings of feminism's. Chancer articulates a broad agenda developed through advancing intersectional concerns about class, race, and sexuality. She advocates ways to reduce the divisiveness that too frequently emphasizes points of disagreement over shared aims. And she offers a vision of individual and social life that does not separate the personal from the political. Ultimately, this book is about not only redressing problems but also reasserting a future for feminism and its enduring ability to change the world.

Contemporary Supreme Court Cases Donald E. Lively, D. Scott Broyles, 2016-02-22. With its blend of accessible writing and actual excerpts from Court opinions, this book serves to explain the legal and cultural underpinnings of landmark U.S. Supreme Court decisions of the past 35 years and to illuminate how these decisions have shaped the trajectory and character of modern American society. As the nation's law defines society, society defines the law. As the nation's fundamental law, the U.S. Constitution is the overarching statement of the people's will. Interpreting the Constitution, however, is no simple task. This book examines more than 100 landmark Supreme Court cases from 1973 to the present, providing readers with insights into decisions that have had a profound impact on American politics, commerce, culture, and life. Organized categorically, this book serves readers either as a comprehensive review of modern constitutional law or as a ready reference source. It includes entries on Supreme Court decision-making regarding high-interest issues such as abortion (*Roe v. Wade* 1973, *Gonzales v. Carhart* 2007), climate change (*Massachusetts v. EPA* 2007), voting rights (*Bush v. Gore* 2000), free speech (*Texas v. Johnson* 1989), the death penalty (*Roper v. Simmons* 2005), immigration (*Arizona v. United States* 2012), campaign financing (*Citizens United v. FEC* 2010), gun control (*District of Columbia v. Heller* 2008), the Affordable Care Act (*National Federation of Independent Business v. Sebelius* 2012), and gay marriage (*United States v. Windsor* 2013). The book not only interprets key Court decisions but also provides critical

context and perspective that makes the subject matter easier to understand and more meaningful especially for readers without an extensive background in Constitutional law Bibliographies are provided at the end of each case to direct those seeking to delve more deeply into specific topics

Digital Civil War Peter Daou, 2019-04-30 A frontline account of the social media battles raging between red and blue Americans and how to find moral clarity in the chaos of digital civil war Are rural white Christians the real Americans Should teachers be armed or should the Second Amendment be repealed Is abortion murder or an ethically sound choice for women Should migrant babies be caged or should ICE be abolished Should billionaires exist while children go hungry These are some of the bitter ideological disputes that have turned social media into a political battlefield In *Digital Civil War* Peter Daou a veteran digital media adviser to presidential candidates investigates the underlying value systems and moral arguments of the warring parties arguing that democracy itself is under assault by an emboldened and empowered Far Right Daou shows how the digital civil war is waged with words and images that are designed to inflict psychological harm to injure through verbal violence to wreak havoc with rhetoric And he explains that the relentless toxicity of social media often treated as an aberration is a feature not a bug of digital warfare

Abortion Wars Judith Orr, 2017-09-10 In this hard hitting timely book Judith Orr leading pro choice campaigner argues that it s time women had the right to control their fertility without the practical legal and ideological barriers they have faced for generations Donald Trump s presidency threatens abortion rights within the US and his global gag affects women worldwide today 47 000 women die annually from illegal abortions In Britain anti abortion campaigners attack women s rights under existing law Elsewhere women cross borders or buy pills online In the US Ireland Poland and Latin America restrictions on abortion have provoked mass resistance Combining analysis of statistics popular culture and social attitudes with powerful first hand accounts of women s experiences and a history of women s attempts to control their bodies the author shows that despite the 1967 Abortion Act full reproductive rights in Britain are yet to be won The book also highlights current debates over decriminalisation and argues for abortion provision fit for the 21st century

The Oxford Handbook of U.S. Women's Social Movement Activism Holly J. McCammon, Verta Taylor, Jo Reger, Rachel L. Einwohner, 2017-05-05 Over the course of thirty seven chapters including an editorial introduction this handbook provides a comprehensive examination of scholarly research and knowledge on a variety of aspects of women s collective activism in the United States tracing both continuities and critical changes over time Women have played pivotal and far reaching roles in bringing about significant societal change and women activists come from an array of different demographics backgrounds and perspectives including those that are radical liberal and conservative The chapters in the handbook consider women s activism in the interest of women themselves as well as actions done on behalf of other social groups The volume is organized into five sections The first looks at U S Women s Social Activism over time from the women s suffrage movement to the ERA radical feminism third wave feminism intersectional feminism and global feminism Part two looks at issues that mobilize women

including workplace discrimination reproductive rights health gender identity and sexuality violence against women welfare and employment globalization immigration and anti feminist and pro life causes Part three looks at strategies including movement emergence and resource mobilization consciousness raising and traditional and social media Part four explores targets and tactics including legislative forums electoral politics legal activism the marketplace the military and religious and educational institutions Finally part five looks at women s participation within other movements including the civil rights movement the environmental movement labor unions LGBTQ movement Latino activism conservative groups and the white supremacist movement

Choice Words Annie Finch, 2020-04-07 A landmark literary anthology of poems stories and essays Choice Words collects essential voices that renew our courage in the struggle to defend reproductive rights Twenty years in the making the book spans continents and centuries This collection magnifies the voices of people reclaiming the sole authorship of their abortion experiences These essays poems and prose are a testament to the profound political power of defying shame Contributors include Ai Amy Tan Anne Sexton Audre Lorde Bobbie Louise Hawkins Camonghne Felix Carol Muske Dukes Diane di Prima Dorothy Parker Gloria Naylor Gloria Steinem Gwendolyn Brooks Jean Rhys Joyce Carol Oates Judith Arcana Kathy Acker Langston Hughes Leslie Marmon Silko Lindy West Lucille Clifton Mahogany L Browne Margaret Atwood Molly Peacock Ntozake Shange Ruth Praver Jhabvala Sharon Doubiago Sharon Olds Shirley Geok lin Lim Sholeh Wolpe Ursula Le Guin and Vi Khi Nao

Socialist Feminism Frieda Afary, 2022-10-20 What is socialist feminism and why is it needed to fight the global rise of authoritarianism and fascism Frieda Afary brings the insights gained through her study of feminist philosophy her international activism and her work in community education as a public librarian in Los Angeles offering a bold new vision of an alternative to capitalism racism sexism heterosexism and alienation Socialist Feminism A New Approach reclaims theories of women s oppression through a return to humanism enriched by social reproduction theories Black feminist intersectionality abolitionism queer theories Marxist Humanism and the author s own experiences as an Iranian American feminist scholar and activist She looks at global developments in gender relations since the 1980s the impact of the Covid 19 pandemic the distinct features of twenty first century authoritarianism and current struggles against it drawing out lessons for revolutionary theorising organising and international solidarity including the MeToo and Black Lives Matter movements This book also contains a study guide which transforms it into a useful pedagogical tool for teachers and activists

Feminism and Religion Michele A. Paludi, J. Harold Ellens, 2016-03-21 Renowned subject experts Michele A Paludi and J Harold Ellens lead readers through a detailed exploration of the feminist methods issues and theoretical frameworks that have made women central not marginal to religions around the world At a conference in 2013 Gloria Steinem noted that religion is the biggest problem facing feminism today In this insightful volume a team of researchers psychologists and religious leaders led by editors Michele A Paludi and J Harold Ellens supply their expertise and informed opinions to examine the problems spur understanding and pose solutions to the conflicts between religion and women s

rights thereby advocating a global interest in justice and love for women Examples of subjects addressed include the pro life pro choice debate feminism in new age thought and the complex intersections of religion and feminism combined with gender race and ethnicity The contributed work in this unique single volume book enables a better understanding of how various religions view women both traditionally and in the modern context and how feminist thinking has changed the roles of women in some world religions Readers will come away with clear ideas about how religious cultures can honor feminist values such as family friendly workplace policies reproductive justice and pay equity and will be prepared to engage in conversation and constructive debate regarding how faith and feminism are interrelated today

Pro Reclaiming Abortion Rights Introduction

In the digital age, access to information has become easier than ever before. The ability to download Pro Reclaiming Abortion Rights has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Pro Reclaiming Abortion Rights has opened up a world of possibilities. Downloading Pro Reclaiming Abortion Rights provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Pro Reclaiming Abortion Rights has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Pro Reclaiming Abortion Rights. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Pro Reclaiming Abortion Rights. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Pro Reclaiming Abortion Rights, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Pro Reclaiming

Abortion Rights has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Pro Reclaiming Abortion Rights Books

What is a Pro Reclaiming Abortion Rights PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Pro Reclaiming Abortion Rights PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Pro Reclaiming Abortion Rights PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Pro Reclaiming Abortion Rights PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Pro Reclaiming Abortion Rights PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific

software or tools, which may or may not be legal depending on the circumstances and local laws.
