Social Problem Research Paper - 100 points

(Approximate due date: _____)

Through our investigation of conflict in novels, short stories, and plays, we have met with many types of problems. The range from disagreements between small groups to large scale plans of violent action. While we act as witnesses through the pages of our texts, we remain detached from each issue. It is time for this to change!

What are you going to do about it?

You will select a **current social problem** of your choice (all topics must gain teacher approval before work can begin) and you will learn to consult a variety of sources to learn more about this important issue and **persuade** readers to agree with your proposed solution.

The goal of this paper is to help you become a better writer and to introduce you to writing and research formats that will follow you through your high school career. Each step in the process is important, so be sure to keep this packet and all materials safe.

P.O.W.E.R. Writing Model:

We will work together in small steps to put together your research paper. The steps are as follows:

PLANNING- 20 pts

You will conduct preliminary research about topics of interest at the Carlynton Library and on computers, and you will brainstorm to generate ideas to select a topic.

ORGANIZING- 10 pts

Once you have ideas, you will come up with a thesis statement and three supportive topics. You will also create an outline to help you visualize your paper with transitions.

WRITING- 20 pts

You will formulate a **rough draft** that follows the five-paragraph format. Your draft will include valuable quotes and information from sources with citations.

EDITING- 10 pts

You will use evaluation comments from the teacher and your peers to make changes and corrections to your work. If needed, you will complete any follow-up research and finalize your revised cited page.

REWRITING - 40 pts

You will rewrite your paper and submit your work for a final grade. This final copy will show off your hard work and focus and must include a cover page and works cited page.

You will submit work for a grade at various steps along the way to check-in on progress and comprehension.

PLEASE REMEMBER: If at anytime you have questions or concerns, **please ask!** The research paper may be difficult to create, but the process should be easy because we will take it one step at a time. I am here to help you do the very best you can and to feel proud about your work!
