LOGIQUES SOCIALES

# Professionnels Agrave La Rencontre De La Sociologie

**Claude Dubar, Pierre Tripier, Valérie  
Boussard**

## **Professionnels Agrave La Rencontre De La Sociologie:**

*Grand dictionnaire universel du XIXe siècle* Pierre Larousse, 1874      **A-Z. 1866-70** Pierre Larousse, 1874

**Bibliographie nationale française**, 1997      Livres hebdo, 2001      **Grand dictionnaire universel du XIXe siècle**

Pierre Larousse, 1982      **Grand dictionnaire universel: A-Z. 1865-76** Pierre Larousse, 1866      Grand dictionnaire universel du XIXe siècle: A-Z. 1805-76 Pierre Larousse, 1866      **Professionnels à la rencontre de la sociologie** Aude Girier, 2012-04-01 Professionnels de santé n'voles architectes travailleurs sociaux tous reçoivent une formation en sociologie Comment les enseigne-t-on et pourquoi Quelles sont les finalités d'un tel enseignement Qu'est-ce que cela nous dit de la place des sciences humaines et sociales dans notre société La sociologie une discipline indispensable dans de nombreux champs et pourtant la question de son utilité est souvent posée

**Les sociologues et la recherche urbaine dans la France contemporaine** Pierre Lassave, 1997 Est-il possible de concevoir une histoire de la sociologie qui ne soit ni celle des historiens des sciences de l'homme ni celle de sociologues en mal de mémoire Pour figurer ce que devrait être cette souhaitable histoire sociologique de la sociologie il n'est pas de terrain plus approprié que la sociologie urbaine quand s'interpénètrent discipline scientifique et thématique publique communauté de savants et université des professionnels de la ville De cette rencontre l'histoire peut être retracée d'un triple point de vue celui du dialogue entre l'université et la commande publique de recherche urbaine celui de la figure particulière qui résulte de la jonction de profils intellectuels et professionnels différents celui enfin du croisement des itinéraires individuels qui la traversent Il apparaît alors que depuis la deuxième guerre mondiale l'évolution des modèles disciplinaires s'accompagne d'un lent désengagement politique du sociologue quand bien même on constate sous la variation des conjonctures et des générations une réelle permanence des interrogations propres aux trajectoires professionnelles

L'Œil du sociologue : Études réunies autour d'Henri Mendras Rencontres sociologiques de Besançon, 1997-01-01T23:00:00+01:00 L'œil du sociologue réunit les communications scientifiques de participants aux septième rencontres sociologiques de Besançon Les journées des 6 et 7 décembre 1997 ont été organisées par le Laboratoire de Sociologie et d'Anthropologie de l'Université de Franche-Comté sous la responsabilité scientifique de Dominique Jacques Jouvenot et Sophie Chevalier C'est avec Henri Mendras et autour de son œuvre que les sociologues réfléchissent aux deux thématiques le sociologue et l'Europe et le métier de sociologue Destinée d'une part aux étudiants de sociologie cet ouvrage les familiarisera avec ceux qui comme Henri Mendras ont inventé la sociologie de terrain mais aussi avec l'histoire de la sociologie et les débats qui la traversent aujourd'hui Ce livre aiguïsera aussi l'œil de ceux qui ne sont plus des apprentis et qui trouveront ici le renouvellement des problématiques posées la discipline sociologique

Première rencontre "Sociologie du Travail". Bilans et perspectives Laboratoire d'études et de recherches sociologiques sur la classe ouvrière (Nantes), 1986

**Pour une sociologie des sociologues** Odile Piriou, Renaud Sainsaulieu, 1999 Depuis 30 ans la sociologie a connu des bouleversements radicaux création d'un cursus d'enseignement universitaire de revues de laboratoires et d'associations

constitution d'un corps d'experts et diversification des débouchés professionnels. En bien des domaines la sociologie s'est donc professionnalisée à l'instar d'autres disciplines. Mais ce processus a suivi une tendance bien précise : la sociologie est devenue une profession en misant essentiellement sur son segment académique. Elle a organisé et valorisé les activités de sociologie en se conformant au modèle de la science. La formule scientifique pour laquelle la sociologie a opté pose de multiples questions quant ses conséquences sur la formation, la définition du métier, l'accès à l'emploi et au titre universitaire. Comment se définit le sociologue de cette fin de siècle en France ? Quels sont les processus qui le conduisent à affirmer une identité à la croisée des chemins entre science et pratique ? Comment cette identité s'affirme-t-elle travers la diversité des cursus universitaires et professionnels ? Et au-delà, quels rapports les diplômés entretiennent-ils avec leur formation ? Voici quelques-unes des questions auxquelles répondra cet ouvrage qui repose sur une enquête menée auprès d'une cohorte de diplômés. En situant ses propositions dans le contexte renouvelé de la sociologie des professions américaines, l'auteur livre un travail d'enquête et de réflexion qui contribue à la connaissance sociologique de la sociologie. Un objet d'étude étrangement peu exploré jusqu'alors.

*L'intervention sociologique dans les organisations* Gilles Herreros, Bruno Milly, 2023-12-07T00:00:00+01:00 Pour Gilles Herreros et Bruno Milly, sociologues spécialistes de l'analyse du travail, l'intervention dans les organisations consiste à venir se placer sur la base d'une commande parmi les acteurs d'une organisation ou d'un collectif de professionnels dans la perspective d'établir avec eux une relation d'aide prenant appui sur des dimensions cognitives et psycho-affectives et avec des inclinations politiques. À partir des missions qu'ils ont conduites dans différents contextes, les auteurs ont développé leur propre conception clinique. Ils ont laborieusement représenté méthodologiquement qui structurent leurs pratiques et questionnent de façon transversale celles de tout intervenant en organisation. Sept situations mises en récit illustrent les particularités, les difficultés et les chemins tortueux de cette sociologie. L'analyse des auteurs explore les transformations des organisations ces quinze dernières années dans trois directions : les dynamiques de la rationalisation, ses formes et quelques-unes de ses conséquences ; l'emprise destructrice des organisations ; les contours et les possibilités d'un monde organisationnel alternatif.

**Sociologues dans l'action** Dominique Felder, 2007-06-01 La pratique professionnelle de la sociologie hors des milieux institutionnels : enseignement, recherche est largement méconnue. Cette sociologie hors des murs constitue un courant peu structuré issu de courants différents qui s'identifie et se reconnaît dans le concept d'intervention. Cet ouvrage se propose de recenser ses savoirs et de décrire ses dispositifs pour fonder l'existence d'une pratique professionnelle reconnue et légitime.

**Philosophie et sociologie : histoire d'une rencontre** Paul Ricoeur, 1985

La sociologie et ses métiers, 1996-01-01

**Sociologie des professions - 4e éd.** Claude Dubar, Pierre Tripier, Valérie Boussard, 2015-07-01 Cet ouvrage retrace les grands modèles des professions qui se sont succédés en Occident et expose les principales théories sociologiques des professions. Les évolutions récentes des groupes professionnels, changements démographiques, transformation du rôle de l'état, management et internationalisation sont présentés autour de cas empiriques. L'ouvrage clarifie le vocabulaire qu'utilisent les sociologues.

pour d'crire le travail professionnel analyser la dynamique des groupes professionnels et des march s du travail interpr ter l'volution des syst mes et des identit s professionnelles Cette quatri me dition prend acte des nombreux travaux suscit s en France par cette discipline

**Le m tier de sociologue en France depuis 1945** G rald Houdeville, 2015-07-17 L'analyse de l'activit scientifique a g n ralement conduit jusqu' pr sent anthropologues historiens et sociologues investir de fa on privil gi e le domaine des sciences de la vie des sciences de la nature et des math matiques et d'laisser relativement celui des sciences sociales Ce livre entend contribuer modifier cette donne D'laissant un autre point de vue souvent adopt celui de l'histoire des id es et de l'pist mologie il propose de prendre pour objet d'tude la sociologie en train de se faire et les sociologues fran ais en exercice dans le monde acad mique en se fondant sur un travail d'investigation approfondie observations entretiens questionnaire analyse de documents Pour ce faire il a fallu inverser la relation habituelle de travail de recherche et inviter les sociologues professionnels de l'enqu te se laisser interviewer et observer Contre l'vidence de l'existence de la sociologie comme discipline d'enseignement et de recherche l'ouvrage s'efforce de d'crire et de comprendre ces pratiques professionnelles telles qu'elles ont t mises en uvre dans les universit s et les grands organismes de la recherche de 1945 aux ann es 2000 Il montre que les mani res de faire aujourd'hui sont en r alit les produits de la re constitution progressive au cours de la seconde moiti du XXe si cle d'un capital disciplinaire fait d'l ments institutionnels et d'autres ressources outils univers de r f rences dont la croyance dans la sociologie comme discipline part enti re n'est pas la moindre Enseignants et chercheurs y puisent les moyens et les raisons d'exercer aujourd'hui leur m tier de sociologue

*Sociologie des professions* Claude Dubar, Pierre Tripier, 2005 Sous discipline de la sociologie la sociologie des professions occupe de longue date une place importante aux Etats Unis et en GrandeBretagne o plusieurs manuels lui sont consacr s mais en langue fran aise le pr sent ouvrage est le premier qui pr sente ce champ de recherches Il s'efforce de retracer les grands mod les de professions qui se sont succ d s en Occident l're partie puis il expose les principales th ories sociologiques des professions qui continuent s'affronter et parfois se combiner dans les travaux r cents 2e partie Enfin il regroupe de nombreuses recherches empiriques men es sur les groupes professionnels dans la France des ann es 1960 2000 et aborde notamment les questions de la f minisation et de l'internationalisation des groupes professionnels 3e partie A travers les mod les th ories et recherches l'ouvrage tente de clarifier le vocabulaire qu'utilisent les sociologues pour d'crire le travail professionnel analyser la dynamique des groupes professionnels et des march s du travail interpr ter l'volution des syst mes professionnels et des identit s salariales Il constitue ainsi un instrument utile tous les chercheurs et tudians en sciences sociales qui s'int ressent l'volution des r alit s professionnelles

**Initiation à la sociologie** Jean-Claude Rabier, 1989-01-01T00:00:00+01:00 Il y a de multiples mani res d'introduire la sociologie par les concepts utilis s par les m thodes par l'histoire de la discipline par les grands courants de la pens e sociologique Chacune a son int r t et sa validit Cet ouvrage qui est aussi un cours adress un public connaissant mal la sociologie et non sp cialiste des probl mes sociaux a choisi une autre voie celle de la rencontre avec

certaines l'éments de notre vie quotidienne La naissance la maladie ou la mort le choix du conjoint la famille le devenir social des enfants la réussite scolaire l'acquisition d'une position sociale et professionnelle et sa conservation sont autant de thèmes que le sociologue est amené à explorer à travers les données de base souvent caractéristiques statistiques il tablit les régularités mais aussi la variété des situations rencontrées et tente d'expliquer leur raison d'être leurs mécanismes et leurs transformations. S'adressant un public qui prend contact avec le social et la sociologie il privilégie l'observation des faits et le commentaire l'analyse théorique Cette dernière n'est cessaire la compréhension des phénomènes étudiés et la logique des raisonnements à tirer d'elle et devra faire l'objet d'un approfondissement
