needed introduction and guide to this critical subject **Digitizing Flat Media** Joy M. Perrin, 2015-12-16 Here is a concise guide to the nuts and bolts of converting flat media books papers maps posters slides micro formats etc into digital files It provides librarians and archivists with the practical knowledge to understand the process and decision making in the digitization of flat media Instead of having to learn by trial and error they will get a well rounded education of the practical aspects of digitization and have a better understanding of their options This is the stuff they don't teach you in school People can be lured into thinking that all it takes to digitize something is a scanner and some metadata This guide illustrates the practical aspects of digitization such as the physical challenges of scanning books without cutting the spine the differences between a scanner that uses a scanning head vs a scanner that uses a camera the different options for workflow for digitized items and the reasons for choosing one scanner over another for reasons other than price **Digitizing Flat Media Principles and Practices** is intended to give librarians and archivists the benefit of a seasoned digitization professional guiding them and helping them figure out exactly what needs to be done when **The Transatlantic Colossus** Daniel Cardoso, Philani Mthembu, Marc Venhaus, Miguelángel Verde Garrido, 2014-01-17 Now available online The Transatlantic Colossus Global Contributions to Broaden the Debate on the EU US Free Trade Agreement 2014 a publication from the Berlin Forum on Global Politics BFGP in collaboration with the Internet Society Collaboratory and FutureChallenges.org of the Bertelsmann Stiftung The free trade agreement TAFTA TTIP currently being negotiated between the United States and the European Union has the potential to significantly impact the lives of people on both sides of the Atlantic and across the world Because it is crucial to broaden the debate on this topic of global importance the Berlin Forum on Global Politics decided to send out an international call for papers in order to collect a strong plurality of views on TAFTA TTIP as part of the Collaboratory's Initiative on Globalization and the Internet The result is an open knowledge publication freely accessible under its Creative Commons BY license which includes 22 articles written by a multitude of well informed global stakeholders members of civil society academia think tanks consumer and activist groups and business organizations **Empirical Comics Research** Alexander Dunst, Jochen Laubrock, Janina Wildfeuer, 2018-07-03 This edited volume brings together work in the field of empirical comics research Drawing on computer and cognitive science psychology and art history linguistics and literary studies each chapter presents innovative methods and establishes the practical and theoretical motivations for the quantitative study of comics manga and graphic novels Individual chapters focus on corpus studies the potential of crowdsourcing for comics research annotation and narrative analysis cognitive processing and reception studies This volume opens up new perspectives for the study of visual narrative making it a key reference for anyone interested in the scientific study of art and literature as well as the digital humanities **Bertrand Russell and the Nature of Propositions** Samuel Lebens, 2017-05-25 Bertrand Russell and the Nature of Propositions offers the first book length defence of the Multiple Relation Theory of Judgement MRTJ Although the theory was much maligned by Wittgenstein and ultimately rejected by

Russell himself *Lebens* shows that it provides a rich and insightful way to understand the nature of propositional content In Part I *Lebens* charts the trajectory of Russell's thought before he adopted the MRTJ Part II reviews the historical story of the theory What led Russell to deny the existence of propositions altogether Why did the theory keep evolving throughout its short life What role did G F Stout play in the evolution of the theory What was Wittgenstein's concern with the theory and if we can't know what his concern was exactly then what are the best contending hypotheses And why did Russell give the theory up In Part III *Lebens* makes the case that Russell's concerns with the theory weren't worth its rejection Moreover he argues that the MRTJ does most of what we could want from an account of propositions at little philosophical cost This book bridges the history of early analytic philosophy with work in contemporary philosophy of language It advances a bold reading of the theory of descriptions and offers a new understanding of the role of Stout and the representation concern in the evolution of the MRTJ It also makes a decisive contribution to philosophy of language by demonstrating the viability of a no proposition theory of propositions

Governing Refugees Kirsten McConnachie, 2014-04-24 Refugee camps are imbued in the public imagination with assumptions of anarchy danger and refugee passivity *Governing Refugees* Justice Order and Legal Pluralism challenges such assumptions arguing that refugee camps should be recognized as spaces where social capital can not only survive but thrive This book examines camp management and the administration of justice in refugee camps on the Thailand Burma border Emphasising the work of refugees themselves in coping with and adapting to encampment it considers themes of agency sovereignty and legal pluralism in an analysis of local governance and the production of order beyond the state *Governing Refugees* will appeal to anyone with relevant interests in law anthropology and criminology as well as those working in the area of refugee studies

Preventing Sexual Violence on Campus Sara Carrigan Wooten, Roland W. Mitchell, 2016-12-01 Amid the ongoing national conversation regarding campus sexual assault this book thoughtfully explores existing programmatic interventions while wrestling with fundamental questions regarding the cultural shifts in our nation's higher education institutions Stressing the critical importance of student inclusion in policy decisions and procedures scholars and experts provide complex and nuanced analyses of institutional practices while exploring themes of race sexuality and sexual freedom This volume addresses many of the unanswered questions in the present dialogue on campus sexual violence including What's working and not working How can outcomes be assessed or measured What resources are needed to ensure success This volume provides a truly fresh contribution for higher education and student affairs practitioners seeking to alter design or implement effective sexual assault prevention resources at their universities and colleges

From ASCII Art to Comic Sans Karin Wagner, 2023-09-19 A fresh and provocative take on typography computing and popular culture viewed through four idiosyncratic typographical phenomena from the digital age *From ASCII Art to Comic Sans* offers an original vision of the history of typography and computing in the digital age viewed through the lens of offbeat typography We often regard text as pure information and typography as a transparent art form

without meaning of its own In this richly illustrated book however Karin Wagner offers a fresh perspective that shows how text is always an image that conveys meaning and how typography far from being meaningless has in fact shaped modern visual and material culture in significant ways By juxtaposing four odd typographical phenomena the pedantic practice of ASCII art the curious looking machine readable typefaces the blurry letters of dot matrix printers and the much maligned font Comic Sans Wagner paints a vivid picture of how functional technologies influence popular culture when used in ways their original creators never intended Design practitioners as well as fans of media graphic design type history and computer technology will enjoy this breezily sophisticated perspective on visual and digital culture Spanning the material and visual aspects of typography from the 1960s to the present From ASCII Art to Comic Sans is a unique contribution to the study of popular and material culture that fills a gap in the history of typography and computing

Suspended For Life C. Twiggy Billue,2014-07-16 SUSPENDED FOR LIFE takes an empirical look via real experiences at how Zero Tolerance Policies contained in the schools Code of Conduct disregards the rights of the student especially students with disabilities These policies are failing students everywhere including my residence of Syracuse New York Statistically these unfair and biased

Zero Tolerance Policies have led to very high suspension rates affecting mainly inner city students but overwhelmingly target students with IEPs 504 Accommodations the untested but suspected LD student and the intellectually gifted student Healthcare Mental Health and Medical Privacy HIPPA now play large roles in school especially in decisions to suspend a student however coupled with a school districts Code of Conduct they have become a crucial aspect for suspension Once you understand the link between a referral to In School Suspension ISSwarehousing students or a referral for Out of School Suspension OSS push out of students you will realize that in most cases suspension can lead directly to the prison industrial complex for our young women and men Stopping this from happening to your student may depend on how well you are prepared to advocate for your child We must not allow suspension to push out our children because ostensibly it may be ensuring them a life sentence of unemployment crime or even death We say it starts at home with the parents so if we can better understand our student s rights and the rights we have as parents we can better prepare ourselves to advocate for our student and to hold the school district accountable for the Education of Our Children
