

17 Cyclops: I am called "the gripe of the suit case suit." Odysseus and his crew escaped me the first time when they steered toward Scylla. Odysseus escaped me a second time when he reached for a branch, grabbed it, and held on while I sucked up the sea.

18 Aiklos: I am the king of the Phaeacians. I helped Odysseus return home safely by providing him with a ship and guest gifts. I also asked him to tell the tale of his wanderings after his victory at Troy.

19 Sirens: We are singers of "each pouring notes like honey mixing." Odysseus escaped us when he had his crew tie him to the boat's mast and covered his crew members' ears with thick bees wax.

20 Lotos-Eaters: We were enticed by a plant that made us want to do nothing but continue eating it. We lost all our ambition and desire to return home.

21 Laphygmae: We are cannibals who destroyed all of Odysseus' ships but one.

22 Winds: I gave Odysseus and his crew a gift: a bag of winds that contained all the winds but the favorable west wind. When his crew grew curious and opened the bag, the winds blew all of them back to my island. When I saw them there, I decided they were cursed by the gods and made them leave.

23 Sphinx: I was one of Odysseus' suitors. I died at Circe's and he met me in the Land of the Dead, where I asked him to bury my body so my soul could rest.

24 Anticlea: I am Odysseus' mother. When he left for Troy, I was still alive. In his journey to the underworld, he saw me there.

25 Thrinacia: I advised Odysseus when he came to visit me in the underworld. I told him that he and his companions could all reach home if they would leave the sun god's cattle alone and would remember their goal: getting home. I also told Odysseus that he would return to a home overrun by suitors and I foretold his death.

26 Eurydamas: I am Penelope's maid. I said that one of the suitors was "a black-hearted hound than any" and also said that they should all be killed.

27 Anticleas: I was the most outspoken and arrogant of the suitors. While I was drinking from my golden cup, Odysseus killed me with his arrow.

28 Antinoos: I was a suitor who tried to kill Odysseus out of killing those of us who survived after our kingdom was killed. I promised that we would repay for the damage we had caused and that we would give an additional offering to show our repentance.

World History as Mystery Jack Zevin,David Gerwin,2010-12-07 Offering a philosophy methodology and examples for history instruction that are active imaginative and provocative this text presents a fully developed pedagogy based on problem solving methods that promote reasoning and judgment and restore a sense of imagination and participation to classroom learning It is designed to draw readers into the detective process that characterizes the work of professional historians and social scientists sharing raw data defining terms building interpretations and testing competing theories An inquiry framework drives both the pedagogy and the choice of historical materials with selections favoring the unsolved controversial and fragmented rather than the neatly wrapped up analysis of past events Teaching World History as Mystery Provides a balanced combination of interestingly arranged historical content and clearly explained instructional strategies Features case studies of commonly and not so commonly taught topics within a typical world global history curriculum using

combinations of primary and secondary documents Discusses ways of dealing with ethical and moral issues in world history classrooms drawing students into persisting questions of historical truth bias and judgment The Complete Works William Cowper,1875 *Ten Million Steps* M. J. Eberhart,2007-03-22 M J Eberhart aka the Nimblewill Nomad was a 60 year old retired doctor in January 1998 when he set off on a foot journey that carried him 4 400 miles twice the length of the Appalachian Trail from the Florida Keys to the far north of Quebec Written in a vivid journal style the author unabashedly recounts the good friendships with other hikers he met the bad sore legs cutting winds and rain and the godawful those dispiriting doubts aspects of his days of walking along what has since become known as the Eastern Continental Trail ECT An amazing tale of self discovery and insight into the magic that reverberates from intense physical exertion and a high goal Eberhart s is the only written account of a thru hike along the ECT Covering 16 states and 2 Canadian provinces *Ten Million Steps* deftly mixes practical considerations of an almost unimaginable undertaking with the author s trademark humor and philosophical musings
