

Friendship In Of Mice And Men

How does having a companion affect one's life? In terms of having emotional stability, there is one thing in life that is needed, which is friends. Throughout the novel *Of Mice and Men*, John Steinbeck reveals that "a guy needs somebody." Without friends people suffer with loneliness and solitude, like most men on the ranch. The intelligent but also weak George, and the playful but strong Lennie have a friendship that is rather for both their mutual benefits. They each rely on each other's strengths which allows them to bring out the best in themselves.

George and Lennie's friendship is one that sets them apart. They are distinguished from all other characters in the story because they have each other to look after. When they arrive at the ranch many are confused and quite baffled as to why there are two men traveling together and who share a bond. "Ain't many guys travel around together... I don't know why. Maybe ever'body in the whole damn world is scared of each other."(17) During this time of the Great Depression, there weren't many people who traveled together or had a companion like George and Lennie have each other. This is why their partnership confuses and surprises many men on the ranch too. After everyone was questioning George and Lennie, George told Slim the truth about their relationship. "We kinda look after each other."(18) Their relationship is not just for the sake of Lennie's survival, but for both their mutual benefits. George has a sharp mind and is able to help shade Lennie from social mishaps and the cruelties of the world, but he is very small and wiry. Lennie on the other hand is strong, and in many ways just as responsible for George as George is Lennie. George tells Lennie to never pick a fight, and as a result, Lennie is hesitant to defend himself or use his strength as a threat to

Of Mice And Men Paper

Andrew N. Rowan

Of Mice And Men Paper:

Of Mice and Men Linda Clark, 2005 New contributions to the most important critical debates of the period The themes of image and representation play a major part in the essays collected in this volume subjects explored include the religious sympathies of townsfolk and gentry and their physical manifestations the cultural setting for the activities of leading families of the period and the interaction of Crown and community of the realm As the fruit of original archival research on the later Middle Ages overall the contributions offer the most up to date scholarship on the period and a snapshot of the most crucial issues in current research Contributors CLIVE BURGESS PAUL CAVILL JON DENTON THOMAS S FREEMAN ALASDAIR HAWKYARD STEPHEN MILESON JENNI NUTTALL COLIN RICHMOND ANNE F SUTTON *Of Mice, Models, and Men*

Andrew N. Rowan, 1984-06-30 Too much emotion and insufficient fact This paradox has long characterized the controversy surrounding animal research *Of Mice Models and Men* is the first exhaustive treatment of all areas empirical and conceptual relevant to the use of animals in research It is also the first study to combine regard for the welfare of laboratory animals with a knowledgeable acceptance of the continuing need for research involving animals The book has another rare quality It is virtually devoid of any of the emotional and exaggerated attacks that have characterized many of the other publications in this area Instead it presents in a manner accessible to both sides all the relevant historical social and scientific information required to form an opinion on the subject The book thus achieves a most difficult goal that of bridging the gap between researchers using animals and animal welfare advocates while pointing out the need for a more active program to promote laboratory animal welfare

Of Mice and Men Charlotte Cook Hadella, 1995 At the core of the story Steinbeck wrote as a play novella are the well known characters of Lenny and George migrant workers lifelong companions the one hugely strong and mentally deficient the other small wiry and quick minded Hadella offers a complete analysis of these characters and their relationship bringing to bear both Jungian and biblical mythology and comparing them with figures in other Steinbeck works
