## **Parkers Car Ers Guide:**

The Carers Guide 1995 Simon Crompton,1995-03-06      Burnout Gordon Parker,Gabriela Tavella,Kerrie Evers,2021-07-02 The first complete guide to burnout based on groundbreaking new research It shows how you can tell whether you really have burnout and helps you shape a strategy for recovery that will work for you Are you always exhausted Unable to feel for others or for life s pleasures Find it hard to concentrate and take in what you read You may have burnout Burnout is widespread among high achievers in the workplace in business and in caring professions like health and teaching Parents with new babies and those caring for the elderly and people with disabilities are also at risk Although burnout is so common it s often undiagnosed or misdiagnosed most commonly as depression Drawing on groundbreaking new research this book hands you the tools to work out whether you have burnout or not The good news It is possible to recover from even severe burnout The authors show you how to recognise your own burnout pattern how far you have travelled into burnout territory and provide a broad based management approach to help you regain your spark and build your resilience With fascinating new insights into the biology of burnout and stories from people who have brought themselves back from the brink Burnout is a complete guide for anyone who suspects they may have burnout for their families for health professionals and employers I cried reading parts of this book Profoundly insightful with information that is superbly liberating about a phenomenon that imprisons too many of us Highly recommended Dr Sonia Henry bestselling author of Going Under Burnout doesn t have to mean the end of your career Alice Cooney Principal Solicitor Office of Public Prosecutions Victoria

*Reconceptualising Work with 'carers'* Kirsten Stalker,2003 Demonstrating the scope and diversity of caring the contributors highlight the positive aspects of caring and the interdependence of many caring relationships but also broach the sensitive and complex subject of poor care and the importance of identifying and meeting the needs of hidden carers

*Older People and Migration* Susan Lawrence,Sandra Torres,2017-10-02 With neo liberal resource rationing and the onus of cost shifting from the state to individuals families and communities migration issues can add a further layer of complexity to the question of caring for the elderly By presenting examples from a variety of contexts and countries this book will stimulate readers into considering new approaches to their own local situation in an attempt to find sustainable social work responses and in helping to build intergenerational solidarity and social capital Contributions to the book focus on patterns of migration older migrants migrating families and migrant carers Facilitating and supporting social solidarity both locally and internationally requires social workers to understand the different contexts for elderly social work both within their own country and internationally Central to this area of work is the promotion of values that respect differences and uphold the principles of human rights and social justice This book highlights the need to consider migration as a driver for social change offering the opportunity for new forms of social solidarity that can adapt and support people inter generationally and sustainably in later life This book was originally published as a special issue of the European Journal of Social Work      With

Respect to Old Age Royal Commission on Long Term Care, Stewart Ross Sutherland, 1999      Unpaid Care Policies in the UK Liz Lloyd, 2024-12-10 This book examines policies on unpaid care throughout the UK since the 1990 NHS and Community Care Act It questions why after decades of policies and strategies unpaid care remains in a marginal position in the social care system and in society more broadly as demonstrated during the COVID 19 pandemic It provides critical analysis of key policies and professional practice over three decades and highlights the continuing challenges faced by people in caring relationships as well as reflecting on developments in the position of unpaid carers in the system of social care By questioning why this crucially important sphere of human life remains under resourced it sheds light on the ways in which care is understood and how policy makers and service providers perceive the need for support      The New Handbook of Children's Rights Bob Franklin, 2002 The expanded and completely revised new edition of this well established handbook provides essential information on a topic of increasing importance across a range of disciplines and practices      Car Trade Secrets Blake C Gunn, 2012-03-06      **Dementia Care** Grahame Smith, 2018-09-03 Dementia is both a personal and a societal challenge The goal of Dementia Care A Practical Approach is to focus on how practitioners can meet this challenge with hope and compassion thereby enabling those with dementia to live well The book takes a strengths approach with an emphasis on exploring sustainable strategies Its content is underpinned by relevant policies and strategies and explicitly links to research evidence while always valuing the voices of those living with dementia Covering various dementia strategies the book provides a clear vision of dementia care delivery and is mapped to the Curriculum for UK Dementia Education For health care students the content is also mapped to the requirements of the Health and Care Professions Council and the Nursing and Midwifery Council The book includes experiences of people living with dementia practical examples self assessment questions and key point summaries It is a valuable resource to practitioners informal caregivers families individuals with dementia or those wanting to know more about the subject      **The Official Railway Guide** , 1889

*Paying the Price* Marilyn Howard, 2001 Examines the situation of the some 6 million people in the UK providing care and support to someone often a relative who cannot manage alone because of their age health or disability Argues that this unpaid work avoids contributions through taxes whereas many of the carers live in poverty and are excluded from social activities and paid employment Recommends improvements to welfare benefits and services Includes the addresses of relevant associations and services      **Social Welfare East and West** John Doling, Roziah Omar, 2017-11-01 This title was first published in 2000 An exploration of the ways in which social welfare in two countries half a world apart may have similarities Through identification of the differences and similarities of social welfare in Britain and Malaysia the editors hope that we may be able to learn from one another as well as to contribute to debates both in our countries about how to respond to globalization and about global social policy Accordingly the contributors arranged themselves into pairs one Malaysian one British to write reviews of one of each of the six areas of social welfare Along with an opening chapter in which the aim was

to identify a number of frameworks and issues that would allow the rest to be put into a context the 12 chapters each restricted to around 5000 words provide a service by service account

**Working with Carers** Christine Heron,1998 A complete guide to working with carers this volume provides a general overview of all the issues involved The recent surge of interest in the needs of carers is placed in its context of social policy legislation demographic trends and changes in society General theories of assessment groupwork stress management and problem solving are applied to working with carers and suggestions for good practice are underpinned with references to relevant research policy documents and the views of carers themselves Thus the book achieves a balance between day to day practicalities and wider preoccupations Each chapter covers practical issues and ends with a summary of good practice guidance for practitioners and managers The author emphasises that carers are not an homogeneous group and includes chapters specifically on working with young carers with carers of people with mental health problems and of parents of children with disabilities Her clear style and sensible approach ensure that the book is appropriate for practitioners at all levels of experience

Contemporary Child Care Policy and Practice Barbara Fawcett,Brid Featherstone,Jim Goddard,2017-03-14 This important text will provide a critical analysis of contemporary developments in child care policy under New Labour and the resulting policy and practice implications The authors will draw on sociological debates the growing children s rights literature and wider developments within social policy in order to provide a thorough and balanced guide to contemporary developments in this rapidly changing field Ideologies behind recent initiatives in a wide range of practice areas are explored and the implementation of key developments are appraised This will be primary reading for all students specializing in work with children and their families

*The ethics of welfare* Dean, Hartley,2004-03-24 The book explores the extent to which rights to welfare are related to human inter dependency on the one hand and the ethics of responsibility on the other Its intention is to kick start a fresh debate about the moral foundations of social policy and welfare reform The ethics of welfare explores the concepts of dependency responsibility and rights and their significance for social citizenship draws together findings from a range of recent research that has investigated popular political welfare provider and welfare user discourses discusses in a UK context the relevance of the recent Human Rights Act for social policy presents arguments in favour of a human rights based approach to social welfare The book is essential reading for anyone concerned about the future of welfare It is aimed at students and academics in social policy social work sociology politics and law It will also interest policy makers and welfare professionals particularly those concerned with welfare benefits and social care

*Older People in Modern Society* Anthea Tinker,2014-10-13 Older People in Modern Society is an established classic text in its field and through subsequent editions its reputation and that of its author has grown In this fourth and renamed edition Anthea Tinker synthesises and discusses a wide range of literature about older people drawing from fields such as medicine sociology and social policy and using primary source material to illustrate the text She also introduces a number of topics that have attained greater importance since publication of the third

edition in 1992 for example continuing care and the abuse of older people      **Exemplary Research for Nursing and Midwifery** Anne Marie Rafferty, Michael Traynor, 2002 Includes nineteen classic and influential accounts of nursing research selected by a panel of senior nurse researchers and teacher accompanied by editorial commentary by Rafferty and Traynor

**Your Brain in Sickness and in Health: The Experience of Dementia and Other Brain Disorders** Sid Williams, 2017-02-23 If you want or need to better understand Alzheimer's disease dementia and other brain disorders if you are a professional involved in assessment and care if you are a family or paid carer caregiver if you are simply interested and curious about the contribution our brains make to everyday life then the information you seek is in your hands This includes the nature of Alzheimer's disease other forms of dementia and other disorders of brain function behaviours and experiences associated with these disorders including accounts of real people faced with these challenges the way carers family friends and professionals perceive understand and respond to people with dementia Don't be daunted by the book's size There are two parts the first part provides chapters on many topics including repetitive behaviour memory problems and problems with common sense Then there are detailed endnotes optional reading which provide references and more detail on the issues raised in the body of the book      Social Policy John Baldock, Nick Manning, Sarah Vickerstaff, 2007-03 Designed for use by undergraduates on social policy social work and sociology courses and by students on vocational training courses including postgraduate this textbook covers all the main topics of social policy      **Catalog of Copyright Entries.
