Pamphlet - Dept. of the Army United States. Department of the Army, 1951 SCM Studyguide: Liturgy, 2nd Edition
Stephen Burns, 2018-09-07 The SCM Studyguide Liturgy 2nd Edition is an introduction to liturgy that considers the basic building blocks needed to grasp the subject area. It outlines the essential shape and content of Christian worship and explores a range of liturgical dynamics of which both students of liturgy and leaders of liturgy need to be aware. This 2nd edition of the popular Studyguide is fully revised, updated, and expanded. The book takes account of new developments in scholarship, engages with new contexts for liturgical celebration, notably fresh expressions, as part of a mixed economy of church. It encompasses recent revisions in liturgy and seeks to broaden the engagement beyond the British context to consider the wider global context.
