

Key signature: G major

INTRO: C D Em D x4

CHORUS:

Well, you only need the light when it's burning low
Only miss the sun when it starts to snow
Only know you love her when you let her go
Only know you've been high when you're feeling low
Only hate the road when you're missing home
Only know you love her when you let her go And you let her go

POST-CHORUS: Em C D Bm7 Em C D Dsus4

VERSE:

Staring at the bottom of your glass, hoping one day you'll make a dream last
But dreams come slow, and they go so fast
You see her when you close your eyes, maybe one day, you'll understand why
Everything you touch surely dies

CHORUS:

Well, you only need the light when it's burning low
Only miss the sun when it starts to snow
Only know you love her when you let her go
Only know you've been high when you're feeling low
Only hate the road when you're missing home
Only know you love her when you let her go

VERSE:

Staring at the ceiling in the dark, same old empty feeling in your heart
'Cause love comes slow, and it goes so fast
Well, you see her when you fall asleep, but never to touch and never to keep
'Cause you loved her too much, and you dived too deep

CHORUS:

Well, you only need the light when it's burning low
Only miss the sun when it starts to snow
Only know you love her when you let her go
