Passion Agrave Nu:

Passion week Paul Anghel,1978 **The Talmud of Jerusalem** Moïse Schwab,2022-04-26 The Jerusalem Talmud probably originated in Tiberias in the School of Johanan ben Nappaha It is a compilation of teachings of the schools of Tiberias Sepphoris and Caesarea It is written largely in a western Aramaic dialect that differs from its Babylonian counterpart The Critical Review ,1809 **Harem Histories** Marilyn Booth,2010 An interdisciplinary collection of essays exploring the harem as it was imagined represented and experienced in Middle Eastern and North African societies and by visitors to those societies **Portland Transcript** ,1854 *Jessie's Flirtations* Harriot F. Curtis,1846 **Erasmus of the Low Countries** James D. Tracy,2023-11-15 Few historical figures have been more important in modeling the ideal of impartial critical scholarship than Erasmus of Rotterdam 1469 1536 Yet his critical scholarship though beholden to no one was not dispassionate James Tracy shows how Erasmus the scholar sought through his writings to promote the moral and religious renewal of Christian society Tracy finds the genesis of the humanist s notion of a Christian republic of pious and learned individuals in his Burgundian or Low Countries roots Erasmus s vision of reform Tracy argues sprung from a humanist tradition focusing on the importance of teaching doctrina a tradition from which Erasmus departed in his optimism about human nature and his deep suspicion of the powers that be Amid the storms of Reformation controversy he pruned back the dissimulation by which he had thought to convey different meanings to different readers yet in the end he could not control the way his words were read If Erasmus s scholarly ideal carries an enduring fascination so too does his dilemma as a man of circumspection who would also be a reformer This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1966 Books Burn Badly Manuel Rivas,2010-02-18 On 19 August 1936 Hercules the boxer stands on the quayside at Coru a and watches Fascist soldiers piling up books and setting them alight With this moment a young carefree group of friends are transformed into a broken generation Out of this incident during the early months of Spain s tragic civil war Manuel Rivas weaves a colourful tapestry of stories and unforgettable characters to create a panorama of twentieth century Spanish history For it is not only the lives of Hercules the boxer and his friends that are tainted by the unending conflict but also those of a young washerwoman who sees souls in the clouded river water and the stammering son of a judge who uncovers his father s hidden library As the singed pages fly away on the breeze their stories live on in the minds of their readers **The History of England from the Invasion of Julius Caesar to the Revolution in 1688** David Hume,1889 **Ministers at War** Jonathan Schneer,2015-04-14 In May 1940 with France on the verge of defeat Britain alone stood in the path of the Nazi military juggernaut Survival seemed to hinge on the leadership of Winston Churchill whom the King reluctantly appointed

Prime Minister as Germany invaded France Churchill's reputation as one of the great twentieth century leaders would be forged during the coming months and years as he worked tirelessly first to rally his country and then to defeat Hitler But Churchill regarded as the savior of his nation and of the entire continent could not have done it alone As prize winning historian Jonathan Schneer reveals in *Ministers at War* Churchill depended on a team of powerful ministers to manage the war effort as he rallied a beleaguered nation Selecting men from across the political spectrum from fellow Conservative Anthony Eden to leader of the opposing socialist Labor Party Clement Attlee Churchill assembled a War Cabinet that balanced competing interests and bolstered support for his national coalition government The group possessed a potent blend of talent ambition and egotism Led and encouraged by Churchill the ministers largely set aside their differences at least at first As the war progressed discord began to grow It reached a peak in 1945 with victory seemingly assured Churchill was forced by his Ministers at War to dissolve the Government and call a General Election which in a shocking upset he lost to his rival Attlee Authoritatively recasting our understanding of British high politics during World War II Schneer shows that Churchill managed the war effort by managing his team of supremely able yet contentious cabinet members The outcome of the war lay not only in Churchill's individual brilliance but also in his skill as an executive and in the collective ability of men who muted their personal interests to save the world from barbarism
