Encyclopedia of Law Enforcement Larry E Sullivan,Marie Simonetti Rosen,Dorothy M Schulz,M. R. Haberfeld,2004-12-15 Click Additional Materials for downloadable samples Although there is a plethora of studies on crime and punishment law enforcement is a relatively new field of serious research When courts sentencing prisons jails and other areas of the criminal justice system are studied often the first point of entry into the system is through police and law enforcement agencies Unfortunately understanding of the important issues in law enforcement has little general literature to draw on Currently available reference works on policing are narrowly focused and

sorely out of date To this end a distinguished roster of authors representing many years of knowledge and practice in the field draw on the latest research and methods to delineate describe and analyze all areas of law enforcement This three volume Encyclopedia of Law Enforcement provides a comprehensive critical and descriptive examination of all facets of law enforcement on the state and local federal and national and international stages This work is a unique reference source that provides readers with informed discussions on the practice and theory of policing in an historical and contemporary framework The volumes treat subjects that are particular to the area of state and local federal and national and international policing Many of the themes and issues of policing cut across disciplinary borders however and several entries provide comparative information that places the subject in context Key Features Three volumes cover state and local federal and international law enforcement More than 250 contributors composed over 400 essays on all facets of law enforcement An editorial board made up of the leading scholars researchers and practitioners in the field of law enforcement Descriptions of United States Federal Agency law enforcement components Comprehensive and inclusive coverage exploring concepts and social and legal patterns within the larger topical concern Global multidisciplinary analysis Key Themes Agencies Associations and Organizations Civilian Private Involvement Communications Crime Statistics Culture Media Drug Enforcement Federal Agencies Organizations International Investigation Techniques Types of Investigation Investigative Commissions Law and Justice Legislation Legal Issues Military Minority Issues Personnel Issues Police Conduct Police Procedure Policing Strategies Safety and Security Specialized Law Enforcement Agencies Tactics Terrorism Victims Witnesses Editors Marie Simonetti Rosen Dorothy Moses Schulz M R Haberfeld John Jay College of Criminal Justice Editorial Board Geoffrey Alpert University of South Carolina Thomas Feltes University of Applied Police Sciences Spaichingen Germany Lorie A Fridell Police Executive Research Forum Washington DC James J Fyfe John Jay College of Criminal Justice David T Johnson University of Hawaii at Manoa Peter K Manning Northeastern University Stephen D Mastrofski George Mason University Rob Mawby University of Plymouth U K Mark Moore Harvard University Maurice Punch London School of Economics U K Wesley G Skogan Northwestern University

Ethnography and the Evocative World of Policing

Matthew Bacon, Bethan Loftus, Mike Rowe, 2023-12-04 This book demonstrates the unique contribution police ethnographies make to our understanding of policing cultures and practices in a variety of international settings It features contemporary examples of police ethnographies that demonstrate the continuing value of ethnographic work to our understanding of policing The first section of the book focuses on the police and Anglo American policing The second section is international in scope and seeks to enrich our understandings of policing beyond the police Chapters explore police interactions during a stop and search and at a carnival They peer behind the scenes at the control room and at the use of intelligence We listen in to the experiences of new recruits and the stories told in canteens They also take us into the world of private security agencies to Kenya and to Vietnam The book explores the position of ethnographers asking whether we do too much with

rather than on the police and whether our work reveals more about us as academics than them as officers Together they are revealing of a changing policing landscape *Ethnography and the Evocative World of Policing* demonstrates the unique value of ethnographic work in the fields of policing studies and criminology It will be a key resource for scholars and researchers of policing criminology sociology law and research methods The chapters in this book were originally published in two special issues of *Policing and Society* *The Role of Strategic Intelligence in Law Enforcement* J. Coyne,2014-12-03 This book analyzes how strategic intelligence can support decision makers in national policing organizations to anticipate transnational organized crime TOC The authors examine case studies from Australia Canada and the UK and argue for the development of empirically grounded intelligence theory to aid the policy process and law enforcement **Encyclopedia of Police Science** Jack Raymond Greene,2006-10-23 In 1996 Garland published the second edition of the *Encyclopedia of Police Science* edited by the late William G Bailey The work covered all the major sectors of policing in the US Since then much research has been done on policing issues and there have been significant changes in techniques and in the American police system Technological advances have refined and generated methods of investigation Political events such as the terrorist attacks of September 11 2001 in the United States have created new policing needs while affecting public opinion about law enforcement These developments appear in the third expanded edition of the *Encyclopedia of Police Science* 380 entries examine the theoretical and practical aspects of law enforcement discussing past and present practices The added coverage makes the *Encyclopedia* more comprehensive with a greater focus on today s policing issues Also added are themes such as accountability the culture of police and the legal framework that affects police decision New topics discuss recent issues such as Internet and crime international terrorism airport safety or racial profiling Entries are contributed by scholars as well as experts working in police departments crime labs and various fields of policing *Juvenile Delinquency* William E. Thompson,Jack E. Bynum,Mica L. Thompson,2020-08-03 *Juvenile Delinquency* Eleventh Edition discusses delinquency as it relates to and emerges from the youth s family neighborhood school peer group social class and overall cultural and social environment Balancing theory with application the authors explore the different causes of juvenile delinquency examine its behaviors and consequences in social contexts explain the role of the police and court system and propose strategies for treatment and prevention Interdisciplinary scholarship from sociologists psychologists social workers criminologists and other specialists who have sought to understand explain control and prevent juvenile delinquency is incorporated throughout the text Learning outcomes offer students a roadmap for major concepts and key ideas while end of chapter outcomes assessments stimulate critical thinking and discussion In each chapter Global Focus on Delinquency boxes look at delinquency in different societies cultures and subcultures and Controversial Issue boxes address critical questions New to This Edition New Chapter Female and LGBTQ Delinquency and Feminist Theories emphasizes often overlooked female delinquency and juvenile delinquency in the LGBTQ community New and updated coverage of the media and social media is

incorporated throughout the book to highlight one of the most important influences on juvenile delinquency today New discussion of transnational gangs and their influence both within and across national borders highlights a global rise in nationalism Chapter 12 Updated coverage of video gaming and violence cyberbullying school shootings drug usage drinking smoking and vaping is presented and analyzed to keep students up to date on contemporary issues
