

ARMED ROBBERY REPORT

SYNOPSIS: I witnessed an armed robbery of a liquor store and arrested the suspect without incident.

NARRATIVE: On Tuesday, 10/25/05, about 2100 Hrs. I was parked at the N/E corner of Second and South "L" Streets in an abandoned gas station, writing a report. I was directly north of Gardella Liquors, located at the S/E corner of Second and South "L" Street. I was in full uniform and in a fully marked police car.

My attention was drawn to a young HMA, later ID'd as MARTINEZ, who walked rapidly into Gardella Liquors. When MARTINEZ reached the counter where the clerk was standing, he reached to the small of his back with his right hand, produced what appeared to be a small handgun and pointed it at the clerk's face. MARTINEZ gestured with his left hand toward the cash register while still pointing the handgun at the clerk, who was the only other person in the store. The store was brightly lit and I had an unobstructed view of the interior of the store.

I could see the clerk throw his hands up as if to surrender. MARTINEZ gestured again at the register and the clerk opened the cash register, remove a stack of money from the register and place it into a paper sack that he took from the counter. He then handed the paper sack with the money to MARTINEZ. I radioed dispatch with a description of the robbery-in-progress and watched as the suspect ran from the store, directly toward my position. At no time during this incident did I lose sight of MARTINEZ.

I drew my sidearm, took a position of cover behind my car door and when the suspect got to my side of Second Street, I activated my spotlights and headlights, verbally identified myself as a police officer and ordered MARTINEZ to drop the gun. He immediately dropped the gun and proned himself out on the sidewalk.

When Ofc. FRIDAY, #714 and Ofc. MARTIN, #744 arrived as backup, I searched MARTINEZ. He was still clutching the paper sack in his left hand. I recovered it and saw that it contained \$76.00 in U.S. Currency. The gun was recovered from the sidewalk where MARTINEZ had dropped it. The weapon was a S&W snub-nosed .38 Special revolver. It was not loaded. MARTINEZ declined to give a statement after I read him his Miranda Rights. All he did was repeat "stupid, stupid."

The clerk, John SMITH saw the arrest and walked over to our location. He told me the following: He said he was getting ready to close when MARTINEZ entered the store. SMITH said MARTINEZ told him "give me the money punk, or I'll kill you." SMITH said he was in fear of being shot so he did as MARTINEZ told him, put it into a paper bag and gave it to MARTINEZ. SMITH then watched as MARTINEZ ran from the store. SMITH said he then tripped the robbery alarm and watched MARTINEZ run across Second Street.

SMITH said he was not injured. He identified MARTINEZ as the man who had just robbed him and identified the money and paper bag as belonging to Gardella Liquors. SMITH also told me that he has never seen MARTINEZ before and did not willingly give him the money. While I was talking with SMITH, other units made an area check for other suspects or a suspect vehicle with negative results. A check for warrants revealed that MARTINEZ was wanted by Reno, Nevada, Police Department for armed robbery. (RPD #05-11205)

The money was taken to the station, photocopied and then released to SMITH on a PD-06 form. The paper sack and revolver were booked into evidence. MARTINEZ was transported and booked at Santa Rita Jail without incident by Officers FRIDAY and MARTIN.

OTHER INFORMATION: A check of dispatch radio tapes show the following time line: 2100:32 Hrs: I called in the armed robbery. 2100:43 Hrs: Dispatch received the armed robbery alarm from Gardella Liquors. 2101:19 Hrs: I radioed I had one at gunpoint across from Gardella Liquors. 2101:28 Hrs: FRIDAY and MARTIN arrived on scene. 2102:30 Hrs: MARTINEZ in custody.

RECOMMENDATIONS: I am requesting the DDA review this report for a complaint against MARTINEZ for 211PC, Armed Robbery, and 12022 PC, Committing a Felony while Armed.

Power, Politics And Crime William J Chambliss, 2018-05-15
In the United States today we are on the verge of fulfilling a nightmare scenario Parents are fearful of letting their children play in their own yards and elderly people are afraid to leave their homes The bogeyman in this rampant panic about crime is the young black male who in the media and public image is a superpredator lurking on every street corner ready to attack any prey that is vulnerable But is crime in America really as bad as the public has been made to believe Power Politics and Crime argues that the current panic over crime has been manufactured by the media law enforcement bureaucracies and the private prison industry It shows how the definition of criminal behavior systematically singles out the inner city African American But urban minorities aren't the only victims Although crime rates have been declining for 25 years vast amounts of money pour into the criminal justice industrial complex diverting scarce resources from other social services such as education social welfare and health care

While in recent years downsizing has affected almost every segment of the public sector the criminal justice bureaucracies have seen an unprecedented expansion Through ethnographic observations analysis of census data and historical research William Chambliss describes what is happening why it has come about and what can be done about it He explores the genesis of crime as a political issue and the effect that crime policies have had on different segments of the population The book is more than a statement about the politics of crime and punishment it s a powerful indictment of contemporary law enforcement practices in the United States In addition to updating the data the author has added a discussion of the declining crime rate Contrary to presentations in the media and by law enforcement agencies the rate has been declining for over 25 years and therefore cannot be attributed to any get tough on crime policies so dear to the hearts of prosecutors and politicians Chapter Seven Crime Myths and Smokescreens has been completely revised and updated Updates include a discussion of the recent scandal in the Los Angeles Police Department which has resulted in criminal charges against police officers and the release of numerous convicted felons because of falsified evidence and testimony on the part of police officers The attack on Louima in the police station in New York as well as the shooting of Diallo are discussed in some detail as well as other recent exposures of police brutality and corruption The sections on white collar corporate and state crimes have been updated and recent examples added to the text Report of the City Council Committee on Crime of the City of Chicago Chicago (Ill.).
