Polishing The Mirror How To Live From Your Spiritual Heart:

Polishing the Mirror Ram Dass, 2013-08-01 Sometimes illumination occurs spontaneously or as Ram Dass experienced in a heart wrenching moment of opening. More commonly it happens when we polish the mirror of the heart with daily practice and see beyond the illusion of our transient thoughts and emotions to the vast and luminous landscape of our true nature. For five decades Ram Dass has explored the depths of consciousness and love and brought them to life as service to others. With *Polishing the Mirror* he gathers together his essential teachings for living in the eternal present here and now. Readers will find within these pages a rich combination of perennial wisdom, humor, teaching stories, and detailed guidance on Ram Dass' own spiritual practices including Bhakti Yoga, opening our hearts to unconditional love, Practices for living, aging, dying, and embracing the natural flow of life, Karma Yoga, how selfless service can profoundly transform us, Working with fear and suffering as a path to grace and freedom, Step by step guidance in devotional chant, meditation, and mantra practice, and much more. For those new to Ram Dass' teachings and for those to whom they are old friends, here is this vanguard spiritual explorer's complete guide to discovering who we are and why we are here and how to become beacons of unconditional love.

A View from Life's Edge Corinne G. Dempsey, 2025-10-14 In today's death-denying, success-driven society, older women's countercultural voices call for our attention. Recounting emotionally charged conversations from across the world, *A View from Life's Edge* reflects on women's comfort with impending death, gratitude forged by catastrophe, and humility that makes way for wonder. Speaking with nearly one hundred women over the age of eighty in four locations—northern Iceland, south India, a retirement community in California, and a convent in upstate New York—Corinne G. Dempsey finds that as we near life's end, we gain clarity about what really matters in life. Women's stories and reflections in

which sorrow and loss are central to a life well lived help to expand our sense of what it means to be human Drawing on the paradoxical wisdom of world religions and mystical traditions to frame late life tendencies across cultures Dempsey portrays these accounts as a corrective to mainstream values that defeat and diminish us Dempsey encourages us to turn away from ageist fears rather than denying life s inevitable end Learning from older women s perspectives we might move their edge of life views closer to the center

Whisper in the Heart Parvati Markus,2022-08-30 Neem Karoli Baba a great Indian saint left his body in 1973 but his presence has continued unabated Even without his physical form he has appeared to thousands of individuals across the globe in dreams and visions in meditation and out of the blue in broad daylight He comes to open hearts with a blast of unconditional love to bring comfort and aid in response to calls for help and as a reminder that we are indeed all One But doubt often strikes after an experience in which one feels such profound divine love It was only a dream Maybe I imagined it I never met him in person how do I know it was him The mind steps in to discount what the heart knows to be true Whisper in the Heart validates these experiences by recounting the stories of over 150 people and the ways in which they met Maharajji as he is fondly known For some it was while chanting at a kirtan while at a spiritual retreat while looking at a photograph or as in some of the more extraordinary stories when he shows up on a desperate women s doorstep in France brings years of abuse to an end for a

nine year old child in Australia dances on a beach in Miami or appears to a policeman in Taos New Mexico Maharajji himself used to say When you think of me I ll be there In this book you will see how he is fulfilling that promise Back cover *Dying to Know* Love Serve Remember Foundation,2024-10-15 *Dying to Know* is an intimate portrait of two complex controversial characters Ram Dass and Timothy Leary in an epic friendship that shaped a generation In the 1960s Harvard psychology professors Timothy Leary and Richard Alpert began probing the edges of consciousness through their experiments with psychedelics Leary became an LSD guru igniting a global counterculture movement and landing in prison after Nixon called him the most dangerous man in America Alpert journeyed to the East and became Ram Dass a spiritual teacher for an entire generation and the author of *Be Here Now* Including interviews spanning 50 years *Dying to Know* celebrates the lasting legacy of Leary and Alpert and encourages critical thinking about life drugs and the biggest mystery of all death
