The Academy: Love Match Monica Seles,2014-02-25 Getting into The Academy is the easy part Staying there takes more than just talent After being betrayed by her rival and her boyfriend Maya knows she needs to shrug off the drama and focus on her game And after a strong showing in the semi finals at a tennis competition Maya seems pretty focused Until that competition brings a new round of gossip a modeling gig and renewed feelings for her ex And Maya s not the only one with drama Cleo just won her first big golf tournament but the blogs are bashing her alternative style Renee is smitten with the school s newest soccer star Diego And the Reed brothers are being pitted against each other by their father their love for Maya and the press *The Distance* Helen Giltrow,2014-09-09 A dark ultra contemporary and relentlessly paced debut thriller about a London society woman trying to put her secret criminal past behind her and the hit man who comes to her with an impossible job she can t refuse Charlotte Alton is an elegant socialite But behind the locked doors of her sleek high security apartment in London s Docklands she becomes Karla Karla s business is information Specifically making it disappear She s the unseen figure who for a commanding price will cover a criminal s tracks A perfectionist she s only made one slip in her career several years ago she revealed her face to a man named Simon Johanssen an ex special forces sniper turned killer

for hire After a mob hit went horrifically wrong Johanssen needed to disappear and Karla helped him He became a regular client and then one day she stepped out of the shadows for reasons unclear to even herself Now after a long absence Johanssen has resurfaced with a job and he needs Karla s help again The job is to take out an inmate a woman inside an experimental prison colony But there s no record the target ever existed That s not the only problem the criminal boss from whom Johanssen has been hiding is incarcerated there That doesn t stop him It s Karla s job to get him out alive and to do that she must uncover the truth Who is this woman Who wants her dead Is the job a trap for Johanssen or for her But every door she opens is a false one and she s getting desperate to protect a man a killer to whom she s inexplicably drawn Written in stylish sophisticated prose *The Distance* is a tense and satisfying debut in which every character both criminal and law abiding wears two faces and everyone is playing a double game
