### "ROUGHING IT" CH. 1

Directions: Read the following passage from Mark Twain's *Roughing It*. Then, answer the questions based on the passage.

1. My brother had just been appointed Secretary of Nevada Territory—an office of such magnitude that it concentrated in itself the duties and duties of Treasurer, Comptroller, Secretary of State, and Acting Governor in the Governor's absence. A salary of eighteen hundred dollars a year and the title of "Secretary" gave to the great position an air of wild and imposing grandeur. I was young and ignorant, and I envied my brother. I coveted his distinction and his financial splendor, but particularly and especially the long, strange journey he was going to make, and the curious new world he was going to explore. He was going to travel; I never had been away from home, and that word "travel" had a seductive charm for me.
