Youth Sport and Spirituality Patrick Kelly S.J., 2015-08-15 One of the ten best recent Catholic sports books America Magazine Unsportsmanlike behavior by student athletes or parents at youth sporting events happens with regularity these days. Much recent research reveals that young people are dropping out of sport at alarming rates due to the often toxic elements in the culture of youth sports. The timely, innovative essays in *Youth Sport and Spirituality* present a wide-ranging overview that draws on resources from Catholic spiritual and theological traditions to address problems such as these as well as opportunities in youth sport in the United States. The book consists of two sections. In the first, prominent scholars in philosophy, psychology, theology, and spirituality reflect on how youth sport contributes to the integral development of the person and his or her grasp of spiritual values. The second half of the book consists of chapters written by coaches, athletic directors, and specialists working with youth coaches. These practitioners share how their approaches to working with youth in sport contribute to the integral development of their players and their openness to transcendent values. The essays examine coaching as ministry, youth sport and moral development, and how parents can act as partners in youth sports among other topics. The book will interest coaches, athletic directors, and youth ministers in Catholic elementary and high schools in parish settings as well as undergraduate and graduate students in education who are preparing to teach in Catholic schools. Contributors: Patrick Kelly S.J., Daniel A. Dombrowski, Nicole M. LaVoi, Mike McNamee, Clark Power, David Light Shields, Brenda Light Bredemeier, Richard R. Gaillardetz, Kristin Komyatte, Sheehan Dobie Moser, Jim Yerkovich, Sherri Retif, James Charles Naggi, and Edward Hastings.

[A Simple Guide to Getting an Athletic Scholarship](#) Gary Hiles, 2011-02 If you need to find an athletic scholarship, this book will provide the help you need. The author teaches parents and athletes the basics of how to get athletes noticed by college coaches and how to find thousands of dollars in athletic scholarships. He also teaches them how to avoid unnecessary expenses during the process. The book tells how to avoid common mistakes such as parents waiting too late to start the scholarship search process and encourages parents to hedge their bets and not limit their options before receiving an offer. Parents looking for detailed ways to help their athletically talented child will find them whether it's how to create mailing lists, keep accurate records, contact coaches, or work with a coaching staff. The author includes some of his more than 100 success stories. His methods are proven and have worked for him many times and they will work for you too. I highly recommend this book to any parent who wants his or her child to better themselves with an athletic scholarship. Read the book and use it for it works.
